

Phoenix Safe USA
4 Drawer Lateral Fire File

BLACK

PUTTY

Gray

Features:

- Explosion-tested to withstand temperature blasts of up to 2000 degrees Fahrenheit
- Each model is independently tested to American standards for fire protection and carries certification labels from the testing agency that identify the product's fire protection level
- Comes with a free, lifetime after-a-fire replacement warranty, as well as a full, two-year materials and labor warranty
- Impact-resistant to make sure that seals and fireproofing insulation withstand typical amounts of debris that fall during a fire
- Standard with theft-prevention features such as easy-to-change combinations and biometric locks
- Water resistant and designed using internal seals and double-door construction to prevent water damage from fire hoses and sprinklers
