### QUALITY AND DURABILITY

Smoothly lower table from vertical storage position into flat open position until spring loaded T-Autolock firmly engages onto table with a click

### EASE OF OPERATION

Simultaneously pull spring loaded T-Autolock and lift table top, then fold vertically for safe storage

### ONE-PIECE TOP

E-Z Tilt flexible, seamless top allows for quick, easy cleaning before, during, and after dining

### BALANCED CONSTRUCTION

A well-balanced, strong underside with 14 gauge steel construction keeps table flat and sturdy for years of service with a custom high-speed gas cylinder system

### SPRING LOADED T-AUTOLOCK

Spring loaded T-Autolock ensures top stays safely locked in ready-to-use position

### COMPACT STORAGE

E-Z Tilt tables nest easily and store compactly

### E-Z Riser™ Arrangements

E-Z Risers™ can be arranged in many configurations (shown below)

For a straight arrangement, alternate reversed riser units with regular units.

For a horseshoe arrangement, reverse the center unit and add three regular units to each end.

For a winged arrangement, reverse only the center unit.

For a semicircular arc, place regular units end to end.
