©2025 MooreCo, Inc. All rights reserved.

MooreCo Inc. reserves the right to correct pricing or copy errors. Since individual items are subject to availability of materials from our suppliers, we reserve the right to limit quantities. All shipping weights are nominal and may vary depending on items and quantities ordered.

General Information

Returnable Merchandise

A return authorization is required for the return of any merchandise. All requests for returns should be made within 90 (ninety) days of receipt of merchandise. The dealer may be responsible for restock and return freight charges. Returned products must be unused, undamaged, and in the original packaging. Please contact customer service for more details. Returned merchandise may be subject to a restocking fee.

Non-Returnable Merchandise

All boards and furniture which have been custom sized, custom framed, or customized to specifications will be considered non-returnable merchandise.

FOB Factory

All accounts are due and payable to:

MooreCo Inc.
P.O. Drawer D
Temple, TX 76503

Payment is due within 30 (thirty) days from date on invoice. Prior to establishment of an open account, all orders are payable by money order, Visa, MasterCard, Discover, or American Express before order can be shipped.

All board dimensions are surface dimensions before framing. All boards listed as 3'H x 4'W actually measure 33.8"H x 48"W due to shipping restrictions. Dimensions on all glass dry erase markerboards are estimated and may vary slightly.

All soft seating, graded-in products, and Compass Cabinets ship FOB Tennessee.

Warranty Terms & Conditions

MooreCo Products Limited Lifetime Warranty

MooreCo warrants that your Product is free from defects in materials or workmanship for the lifetime of the product unless listed on the below schedule. This warranty only applies to Products purchased directly from an authorized MooreCo dealer and is only valid for the original purchaser and for the original installation. The warranty is terminated upon transfer, sale, or modification of the Product.

If a Product is defective in materials or workmanship, MooreCo will replace or repair it at no charge, based on the below schedule. This is your sole and exclusive remedy, and repair or replacement of the Product will be at the sole discretion of MooreCo and is your sole and exclusive remedy for products found by MooreCo to be defective. Shipping charges to the repair facility will be the responsibility of the purchaser, and shipping charges to return the repaired Product to the purchaser will be paid by the purchaser, except for Products returned for repair during the first 30 days after purchase, in which case all shipping charges will be paid by MooreCo. MooreCo will not pay labor costs associated with repairs or replacements. All incidental or consequential damages which may arise, including, but not limited to, lost profits, personal property damage, and third party liabilities are hereby expressly excluded. Likewise, MooreCo will not be responsible for any damage to customer's property caused by incompatibility of the product with customer's flooring and other customer property. MooreCo shall be liable under this limited warranty only for the cost or, at its option, the repair or replacement of defective products. This warranty is subject to the limitations, exclusions and other provisions below, and applies to Products purchased after January 27, 2022 which are delivered within the United States of America and the Commonwealth of Canada.

Discontinued products will be replaced with "like product" at MooreCo's discretion. MooreCo will not renew or extend this warranty to a repaired or replaced product. MooreCo will not honor the attempted transfer of this warranty.

Some natural variations occurring in polypropylene material or other natural materials are inherent to their character and are not considered defects. MooreCo does not warrant the colorfastness or matching of colors, grains, or textures of these materials. Customer's Own Material (COM) selected by and used at the request of an original purchaser is not warranted. Our products are intended for interior use — exterior use of them will void the warranty.

MooreCo seating is tested and warrantied for users up to 253lbs. Use above that weight is not tested or warrantied and considered misuse and abuse.

Use of "short throw", wall mounted projectors are only warrantied on the Interactive Projector Board (2G5 and 4G5) series and Interactive Projector Board + Whiteboard System (764XX).

Porcelain surfaces may have minor surface imperfections due to the manufacturing process. If these imperfections cannot be seen from 3 feet under diffuse (dead) light and without "searching", they are not covered under warranty. Any surface imperfection from the factory shall erase as with the rest of the surface or will be covered under warranty.

The particular Product lines, materials and components listed below are warranted according to the following schedule from the date of sale:

Products	Warranty
Chair/Desk/Table Frames and Compass Storage	Lifetime
Book Boxes/Book Baskets/Backpack Hooks	Lifetime
Porcelain Surface	Lifetime
Seating controls, pneumatic cylinders, bushings, folding mechanisms, rocker/wobble bases	1 Year
Glides	6 Years

Beanies by MooreCo	Seams and Zippers - 1 year (indoor and outdoor)
iTeach Electric Height Adjustable Flat Panel Wall Mount Structural / Electrical	7 Years
iTeach Spider Flat Panel Cart with Electric Mount Structural /Electrical (excluding casters)	7 Years
MoorePower Tower Structural/Electrical	7 Years

Warranty Terms & Conditions

Warranty Exclusions

This warranty does not apply and no other warranty applies to:

- Normal wear and tear, which are to be expected over the course of ownership.
- Damage caused by abuse, misuse, neglect, vandalism, accident, modifications, water, or fire.
- Damage caused by the carrier in-transit, which will be handled as claims against the carrier.
- Damage caused during unloading or installation, which will be handled as claims against the installer.
- Modifications or attachments to the Product that are not approved by MooreCo.
- Products that were not installed, used, or maintained in accordance with Product instructions and warnings.
- Products used for rental purposes.
- Adhesive products installed at temperatures below 50°F (10°C).
- Labor and/or materials to remove and replace Products.
- Non-standard or published products.
- Damage caused by environmental issues, including use and/or storage of the Product in facilities subjected to uncontrolled high temperatures.
- Third-party products – MooreCo, to the extent possible, will pass through to the original purchaser (and process claims under) any warranty provided by third-party products supplied to MooreCo.
- Normal aging and wear of fabrics, filling materials, and finishes of soft seating and other upholstered products.

To the extent allowed by law, MooreCo makes no other warranty, either express or implied, including any warranty of merchantability or fitness for a particular purpose. MooreCo will not be liable for any indirect, consequential, or incidental damages. This warranty does not cover consequential damages, loss of time or use, or other incidental damages.

Notice to Purchasers for Home or Personal Use: Federal law does not permit the exclusion of certain implied warranties for consumer Products. Therefore, if you are purchasing this Product for home or personal use, the exclusion of implied warranties noted in the above paragraph does not apply to you. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation or exclusion may not apply to you. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

To obtain service under this limited warranty: by following the procedures regarding warranty claims outlined below, you can be assured of the best level of service.

Contact MooreCo by phone at 1-800-749-2258 or by mail at 2885 Lorraine Avenue, Temple, Texas 76501 within 30 (thirty) days of discovery of the defect. Be prepared to prove you are the original purchaser of the Product and provide your model number, description of the Product, and description of the defect. Then provide MooreCo with your name, address, area code, and telephone number.

MooreCo will review all pertinent information regarding the claim, including inspection of the Product if deemed appropriate by MooreCo.

If MooreCo affirms that the Product in question is eligible under the conditions of the limited warranty as stated above, the customer service representative or another representative of MooreCo will determine whether to provide replacement parts, authorize repairs, or replace the Product.

Products returned to the MooreCo facility without a return authorization will be refused.

Porcelain Steel Whiteboard - Deluxe Aluminum Trim

Magnetic porcelain steel whiteboards are engineered for superior color contrast with dry erase markers. Standard gloss dry erase surface provides superior writability and erasability with no ghosting. Reduced surface light distortion enhances visibility to provide optimum eye comfort.

Steel is permanently laminated to a lightweight substrate for stability and durability.

Fifty year limited warranty. SCS Indoor Advantage Gold Certified.

Technical Information

- A precisely balanced porcelain enamel ground coat is furnace-fused to both sides of 28-gauge (standard) or 24-gauge (custom) steel.
- The first furnace fuses a ground coat of enamel that is heat-softened at approximately 1450°F. The second furnace firing fuses a coat of enamel to the ground coat enamel.
- Color Fusion ceramic top coat is applied providing the desired surface color. Off- white is standard.
- A fade resistant waterproof resin glue bonds the porcelain to a moisture-resistant core and .005" polyester foil backer sheet.

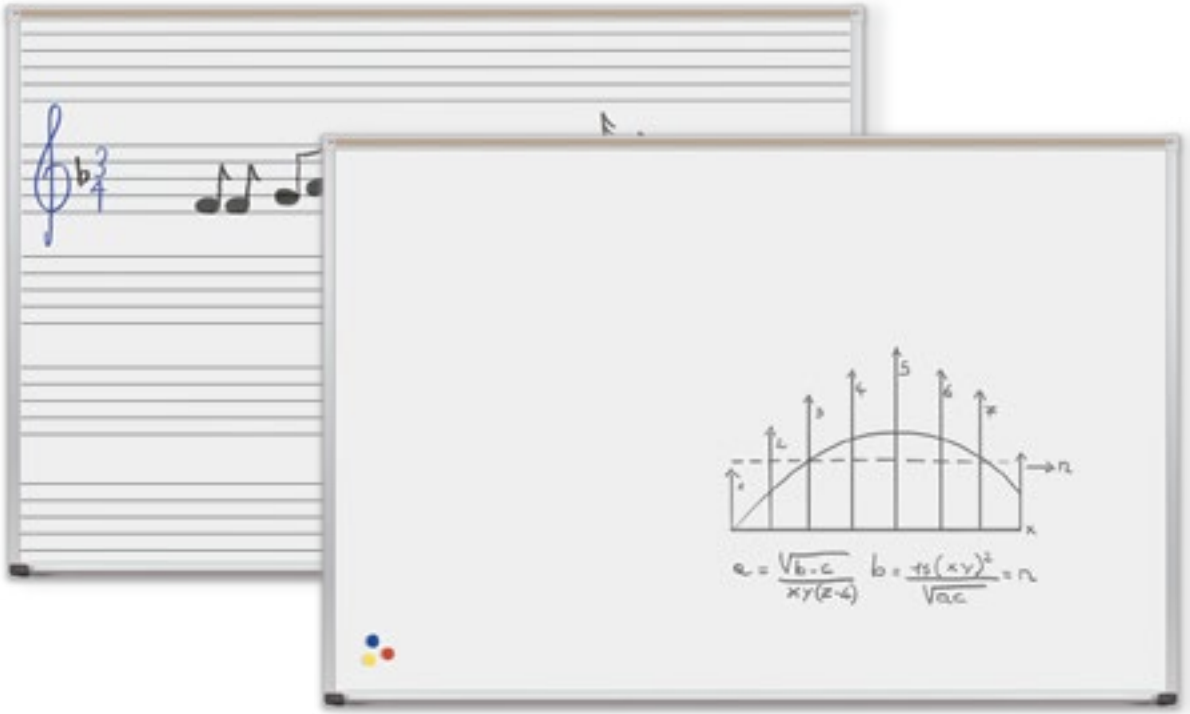

Standard Includes

- Anodized aluminum trim with 7/8" profile and hairline mitered corners
- Full-length tackable map rail with Colored Cork insert
- Full-length accessory tray with rubber Dura-Safe® end caps

Options

- Available in multiple standard sizes
- Custom sizing available
- Available in 5'H panel
- Available with screen printed permanent graphics
- Available with upgraded sheet aluminum backer

Porcelain Steel Whiteboard - Presidential Trim

Magnetic porcelain steel whiteboards are engineered for superior color contrast with dry erase markers. Standard gloss dry erase surface provides superior writability and erasability with no ghosting. Reduced surface light distortion enhances visibility to provide optimum eye comfort.

Steel is permanently laminated to a lightweight substrate for stability and durability.

Fifty year limited warranty. SCS Indoor Advantage Gold Certified.

Technical Information

- A precisely balanced porcelain enamel ground coat is furnace-fused to both sides of 28-gauge (standard) or 24-gauge (custom) steel.
- The first furnace fuses a ground coat of enamel that is heat-softened at approximately 1450°F. The second furnace firing fuses a coat of enamel to the ground coat enamel.
- Color Fusion ceramic top coat is applied providing the desired surface color. Off- white is standard.
- A fade resistant waterproof resin glue bonds the porcelain to a moisture-resistant core and .005" polyester foil backer sheet.

Standard Includes

- Anodized aluminum trim with injection-molded curved plastic corner pieces
- Magnetic accessory tray in gray or black to match the trim color selected

Options

- Available in multiple standard sizes
- Available in silver or black trim
- Custom sizing available
- Available with screen printed permanent graphics
- Available with upgraded sheet aluminum backer

Insight® Low Iron Magnetic Glass Board

Dramatic glass style meets dynamic versatility with the elegant and modern Insight Magnetic Glass Board in low iron white. Add seamless style to any environment with low iron glass and sleek concealed hanging system, providing a minimalist element to your workspace.

Tempered safety glass provides smooth writability with unparalleled erasability. White glass is low iron, which greatly reduces the green cast of regular glass, providing a more true white coloration.

Durable steel backing allows the board to accept rare earth magnets.

Compatible with any dry erase or wet erase marker, grease pen, etc. and easily cleans without ghosting or staining.

Can be hung horizontally or vertically.

Fifty year limited warranty. SCS Indoor Advantage Gold Certified.

Standard Includes

- Concealed mounting devices
- Glass accessory tray, set of rare earth magnets, and eraser cloth

Options

- Available in multiple standard sizes
- Customizable graphics available
- Customizable color available

Rapport Basic Series Glass Wall

Transform your old whiteboards and walls with the new Rapport Basic Series Glass Wall panel system. Rapport is engineered to incorporate the best qualities of magnetic glass markerboards with a modular full wall whiteboard ensemble.

Rapport will modernize and elevate your walls instantly with smart style and functional whiteboard space, ideal for communication, collaboration, and creativity. Create a user-friendly and inviting room-sized presentation surface.

Tempered safety glass is suited for use in any environment, from industrial to classroom and everything in between. Steel-backed glass accepts rare earth magnets.

Glass is available standard in gloss white, gloss black, or in any of our seven Hierarchy glass colors. Create one sleek monochrome wall, or mix and match for a custom appearance.

Fifty year limited warranty. SCS Indoor Advantage Gold Certified.

Note: Because of the construction of the glass boards, there is no way to accommodate cut outs for outlets or light switches. Please take this into consideration when planning your glass wall mounting locations.

Standard Includes

- Stainless steel mounting standoffs along the top
- Full-length aluminum accessory tray along the bottom
- Set of rare earth magnets and eraser cloth

Options

- Available in multiple standard sizes
- Available in gloss white, gloss black, low iron white (upcharge applies), or any standard Hierarchy glass color (see p. 16 for swatches)

Fluent Office Series Glass Wall

Transform your old whiteboards and walls with the new Fluent Office Series Glass Wall panel system. Fluent is engineered to incorporate the best qualities of magnetic glass markerboards with a modular full wall whiteboard ensemble.

Fluent will modernize and elevate your walls instantly with smart style and functional whiteboard space, ideal for communication, collaboration, and creativity. Create a user-friendly and inviting room-sized presentation surface.

Tempered safety glass is suited for use in any environment, from industrial to classroom and everything in between. Steel-backed glass accepts rare earth magnets.

Glass is available standard in gloss white, gloss black, or in any of our seven Hierarchy glass colors. Create one sleek monochrome wall, or mix and match for a custom appearance.

Fifty year limited warranty. SCS Indoor Advantage Gold Certified.

Note: Because of the construction of the glass boards, there is no way to accommodate cut outs for outlets or light switches. Please take this into consideration when planning your glass wall mounting locations.

Standard Includes

- Full-length slim anodized aluminum trim along the top edge
- Full-length anodized aluminum accessory tray along the bottom
- Set of rare earth magnets and eraser cloth

Options

- Available in multiple standard sizes
- Available in gloss white, gloss black, low iron white (upcharge applies), or any standard Hierarchy glass color (see p. 16 for swatches)
- Customizable graphics available
- Customizable color available

Interactive Projector Board

For the best interactive projector surface and the most durable whiteboard, choose the Interactive Projector Board as your ultimate multifunction board.

Widescreen dimensions support the most popular sizes of projected images at diagonal dimensions of 84.9" (4'H × 6'W), 106" (4'H × 8'W), 111.6" (5'H × 8'W) and 132.6" (5'H × 10'W), plus many custom sizes available.

The special construction of the board provides the flatness required for the best performance of your interactive projector, with a flatness guarantee <3mm across the board surface. This allows the board to be used on carts or walls, still achieving the projector manufacturer's flatness requirements.

The surfaces are engineered to minimize visual strain from anywhere in the room, making them ideal for spaces that are exposed to ambient light. Magnetic surface provides even more versatility, and the low profile aluminum Brio trim is a modern addition.

Fifty year limited warranty. SCS Indoor Advantage Gold Certified.

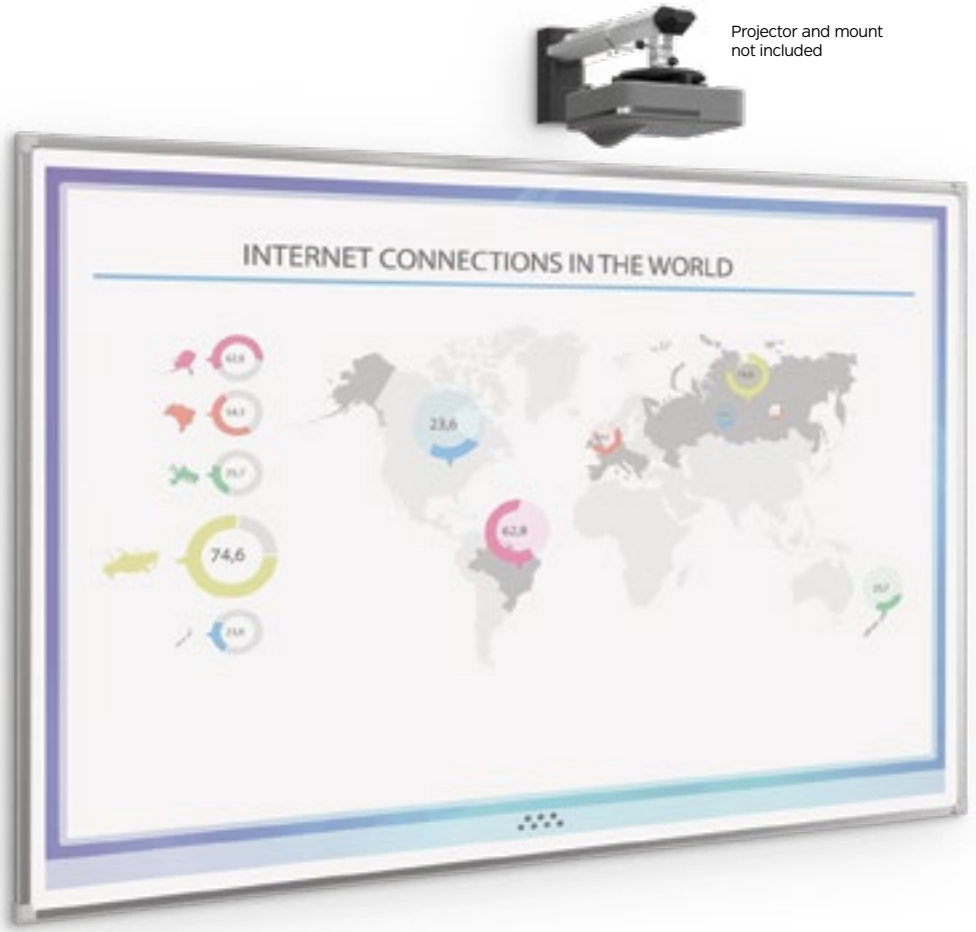

Standard Includes

- Trimmed with low profile anodized aluminum trim with plastic corner pieces
- Extra durable and thick substrate prevents board from warping, providing a flatness guaranteed for the best performance with your interactive projector

Options

- Available in multiple standard sizes
- Custom sizes available
- Available in standard gloss white porcelain or low gloss white porcelain surfaces

Projector and mount not included

Interactive Projector Board + Whiteboard System

Take advantage of the full breadth of your classroom or training room with the flexibility, functionality, and superior quality of projection steel whiteboard system designed specifically for the updated technology and changing needs of the modern classroom.

This three board bundle gives you full use of the front of the classroom or training space for interactivity.

All surface materials are optimized for smooth writing, clean erasing, and clear projection.

The central board has specially designed and constructed board flatness for compatibility with interactive projectors.

Flanking boards offer full width use of the ultra-durable porcelain whiteboard surface, or side notation while projecting.

Magnetic porcelain steel surfaces guarantee true long life and erasability.

Fifty year limited warranty. SCS Indoor Advantage Gold Certified.

Standard Includes

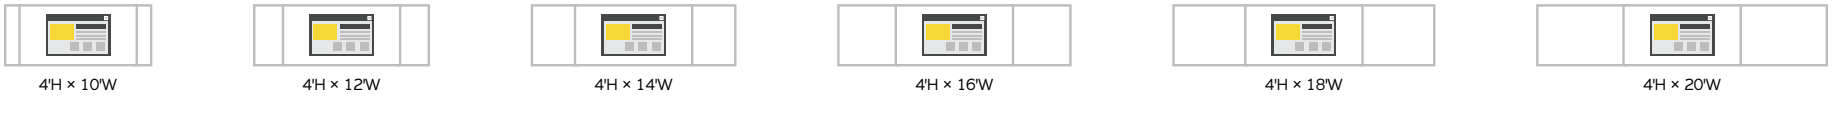

- Trimmed with low profile anodized aluminum trim with plastic corner pieces
- Extra durable and thick substrate on interactive projector board (center) prevents board from warping, providing a flatness guaranteed for the best performance with your interactive projector
- Side boards finished with standard porcelain steel whiteboard

Options

- Available in multiple standard sizes
- Custom sizes available
- Available in standard gloss white porcelain or low gloss white porcelain surfaces

Combination Board (All-In-One)

All-in-one boards combine porcelain steel markerboard and natural cork tackboard into one durable and versatile unit. Ideal for any classroom or other learning environment.

Magnetic porcelain steel whiteboards are engineered for superior color contrast with dry erase markers. Standard gloss dry erase surface provides superior writability and erasability with no ghosting. Reduced surface light distortion enhances visibility to provide optimum eye comfort.

Fifty year limited warranty on porcelain steel. Ten year limited warranty on tackboard. SCS Indoor Advantage Gold Certified.

Technical Information - Porcelain Steel

- A precisely balanced porcelain enamel ground coat is furnace-fused to both sides of 28-gauge (standard) or 24-gauge (custom) steel.
- The first furnace fuses a ground coat of enamel that is heat-softened at approximately 1450°F. The second furnace firing fuses a coat of enamel to the ground coat enamel.
- Color Fusion ceramic top coat is applied providing the desired surface color. Off- white is standard.
- A fade resistant waterproof resin glue bonds the porcelain to a moisture-resistant core and .005" polyester foil backer sheet.

Technical Information - Natural Cork

- Natural cork surface offers excellent resiliency and tack holding properties.
- The cork layer consists of finely grained composition cork produced with .5mm granulated cork and a polyurethane binder.
- The 1/16" thick 100% natural cork layer is permanently bonded to a 7/16" thick layer of insulation board.

Standard Includes

- Anodized aluminum trim with 7/8" profile and hairline mitered corners
- Full-length tackable map rail with Colored Cork insert
- Full-length accessory tray with rubber Dura-Safe® end caps

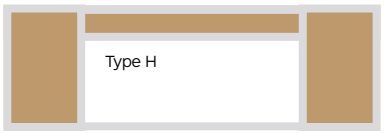

Options

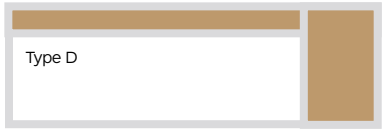

- Available in multiple standard sizes
- Custom sizing available
- Available with screen printed permanent graphics
- Available with upgraded sheet aluminum backer

Combo-Rite Boards (Modular)

Modular boards combine porcelain steel markerboard and Vin-Tak tackboard into one durable and versatile unit. Ideal for classrooms, the surfaces can be changed or replaced when worn or damaged, saving time and money.

Magnetic porcelain steel whiteboards are engineered for superior color contrast with dry erase markers. Standard gloss dry erase surface provides superior writability and erasability with no ghosting. Reduced surface light distortion enhances visibility to provide optimum eye comfort.

Fifty year limited warranty on porcelain steel. Ten year limited warranty on tackboard. SCS Indoor Advantage Gold Certified.

Technical Information - Porcelain Steel

- A precisely balanced porcelain enamel ground coat is furnace-fused to both sides of 28-gauge (standard) or 24-gauge (custom) steel.
- The first furnace fuses a ground coat of enamel that is heat-softened at approximately 1450ºF. The second furnace firing fuses a coat of enamel to the ground coat enamel.
- Color Fusion ceramic top coat is applied providing the desired surface color. Off- white is standard.
- A fade resistant waterproof resin glue bonds the porcelain to a moisture-resistant core and .005" polyester foil backer sheet.

Technical Information - Vin-Tak

- The 1/16" thick vinyl fabric layer is permanently bonded to a 7/16" thick layer of insulation board.

Standard Includes

- Anodized aluminum trim features easy to use H-channels to attach panels together, also enabling easy disassembly for panel replacement
- Writing surfaces include a full-length tackable map rail with Colored Cork insert
- Writing surfaces include a full-length accessory tray with rubber Dura-Safe® end caps

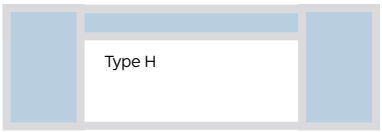

Options

- Available in multiple standard sizes
- Custom sizing available
- Available with screen printed permanent graphics
- Available with upgraded sheet aluminum backer
- Vinyl available in multiple colors (see p. 17 for swatches)

Valu-Tak Natural Cork Tackboard - Aluminum Trim

Natural Cork natural cork surface gives you a traditional tackboard with excellent resiliency and tackability.

Ten year limited warranty. SCS Indoor Advantage Gold Certified.

Technical Information

- Natural cork surface offers excellent resiliency and tack holding properties.
- The cork layer consists of finely grained composition cork produced with .5mm granulated cork and a polyurethane binder.
- The 1/16" thick 100% natural cork layer is permanently bonded to a 7/16" thick layer of insulation board.

Standard Includes

- 1/16" natural cork material over 7/16" insulation board substrate
- Anodized aluminum trim with 7/8" profile and hairline mitered corners

Options

- Available in multiple standard sizes
- Custom sizing available

Part No.	Description	Dimensions	Ship Wt.	Base MSRP

Natural Add-Cork Tackboard – Aluminum Trim

Natural Add-Cork surface gives you a traditional tackboard with excellent resiliency and tackability.

Ten year limited warranty. SCS Indoor Advantage Gold Certified.

Technical Information

- Natural cork surface offers excellent resiliency and tack holding properties.
- The cork layer consists of finely grained composition cork produced with .5mm granulated cork and a polyurethane binder.
- The 1/8" thick 100% natural cork layer is permanently bonded to a 3/8" thick layer of rigid and durable substrate.

Standard Includes

- 1/8" natural cork material over 3/8" rigid and durable substrate
- Anodized aluminum trim with 7/8" profile and hairline mitered corners

Options

- Available in multiple standard sizes
- Custom sizing available

Natural Cork-Plate Tackboard - Aluminum Trim

Natural Cork-Plate surface gives you a traditional tackboard with excellent resiliency and tackability.

Ten year limited warranty. SCS Indoor Advantage Gold Certified.

Technical Information

- Natural cork surface offers excellent resiliency and tack holding properties.
- The cork layer consists of finely grained composition cork produced with .5mm granulated cork and a polyurethane binder.
- The 1/4" thick 100% natural cork layer is permanently bonded to a 1/4" thick layer of rigid and moisture-resistant substrate.

Standard Includes

- 1/4" natural cork material over 1/4" rigid and moisture-resistant substrate
- Anodized aluminum trim with 7/8" profile and hairline mitered corners

Options

- Available in multiple standard sizes
- Custom sizing available

303AH	Natural Cork-Plate Tackboard – Aluminum Trim	4'H × 8'W	88 lbs	$490.56

Colored Cork Tackboard - Aluminum Trim

Colored Cork Tackboards feature colorful and durable Forbo® linoleum, produced from natural and renewable raw materials.

A combination of oxidized linseed oil, rosin and finely ground cork gives this board its flexibility and resilience. This combination results in a product with exceptional durability and a sustainable footprint.

The natural self-sanitizing quality of linoleum inhibits contaminants for a low maintenance board. The surface does not attract dust and has bacteriostatic properties. This makes it a practical solution in classrooms and a hygienic choice in healthcare environments.

Surface is self-healing and colored throughout to ensure colorfastness and eliminate fading. The board material retains its grip and doesn't crumble like traditional soft boards as the tack holes close after extraction of the pins.

Ten year limited warranty. SCS Indoor Advantage Gold Certified.

Technical Information

- Colored Cork surface is made with Forbo® linoleum permanently adhered to a moisture-resistant substrate.
- Colored Cork meets ASTM E-84 (Fuel Contribution) – Class B and NFPA 253 (Critical Radiant Flux) – Class II ratings.
- Not susceptible to build-up of electrostatic charges, is self-healing, and reduces light reflections.
- Resistant to bacteria and to diluted acids, solvents, and other materials.

Standard Includes

- 1/4" Colored Cork material over 1/4" rigid and moisture-resistant substrate
- Anodized aluminum trim with 7/8" profile and hairline mitered corners

Options

- Available in multiple standard sizes
- Available in multiple standard and custom colors (see p. 16 for swatches)
- Custom sizing available

Part No.	Description	Dimensions	Ship Wt.	Base MSRP

Vin-Tak Tackboard - Aluminum Trim

Fabric-backed vinyl over lightweight substrate makes an economical and attractive tackboard. Easy to clean surface. Vinyl is treated to resist the growth of odor- and stain-causing microbes.

Ten year limited warranty. SCS Indoor Advantage Gold Certified.

Technical Information

- Vinyl tackboards are fade-resistant and are easily cleaned with common detergents and water.
- The vinyl covering meets or exceeds all requirements of Federal Specifications CCCW-408A Quality Standard for Vinyl Coated Fabric Wallcovering CFFA-W-101A, and the Standard Classification of Wallcoverings by Durability Characteristics of ASTM-F-793-82 for the type and category classified, including 24 hour cleanability tests based on ASTM method D1308.
- The vinyl is treated with an antimicrobial to resist the growth of mildew and bacteria.

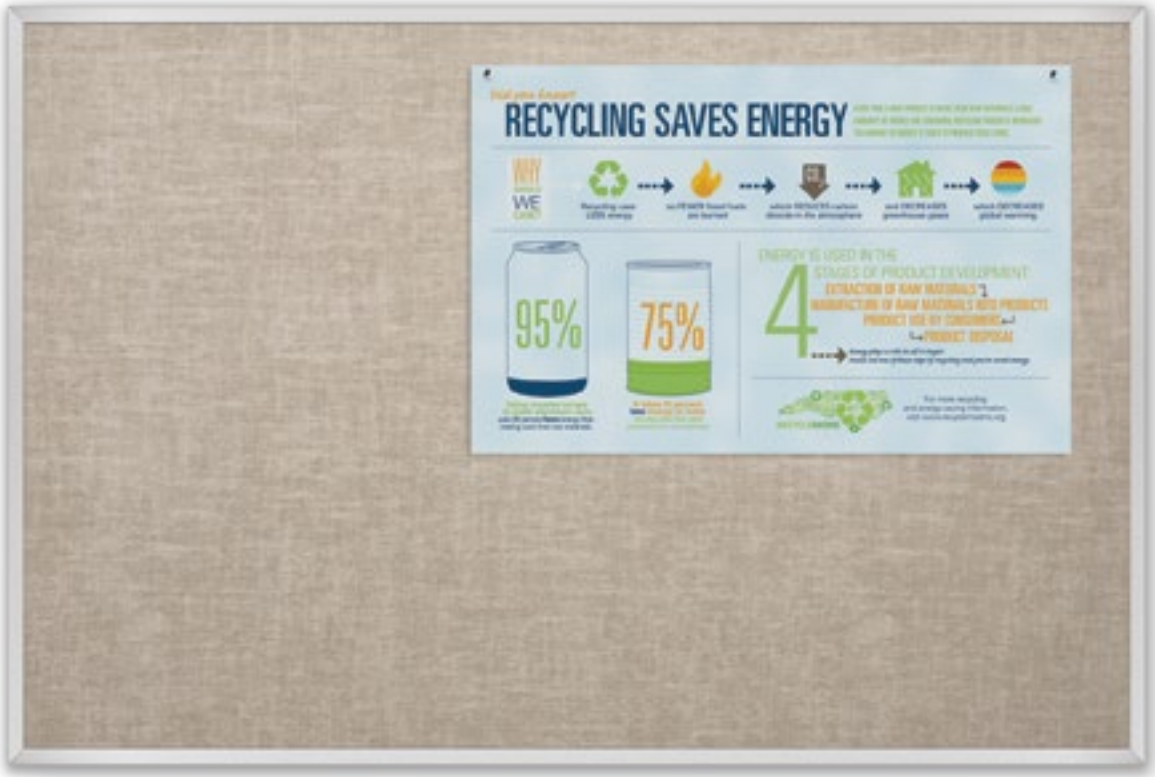

Standard Includes

- Layer of vinyl fabric over 7/16" insulation board substrate
- Anodized aluminum trim with 7/8" profile and hairline mitered corners

Options

- Available in multiple standard sizes
- Custom sizing available
- Available in multiple standard colors (see p. 17 for swatches)

Fab-Tak Tackboard + Aluminum Trim (331AX)

Durable and non-fraying fabric over a lightweight tackable substrate creates an economical and attractive tackboard. Polyolefin fabric is washable and unaffected by most common household chemicals, salts, and cleansers. Fabric is also treated to resist the growth of stain- and odor-causing microbes, and is available in three colors.

Ten year limited warranty. SCS Indoor Advantage Gold Certified.

Technical Information

- Fabric consists of 100% woven Polyolefin with a latex backing.
- Tested by an independent laboratory against standards for upholstery fabrics set by the National Association of Furniture Manufacturers.
- Washable and unaffected by most household chemicals, salts, and cleansers.
- Vacuuming or light brushing is recommended to prevent dust and soil build up.

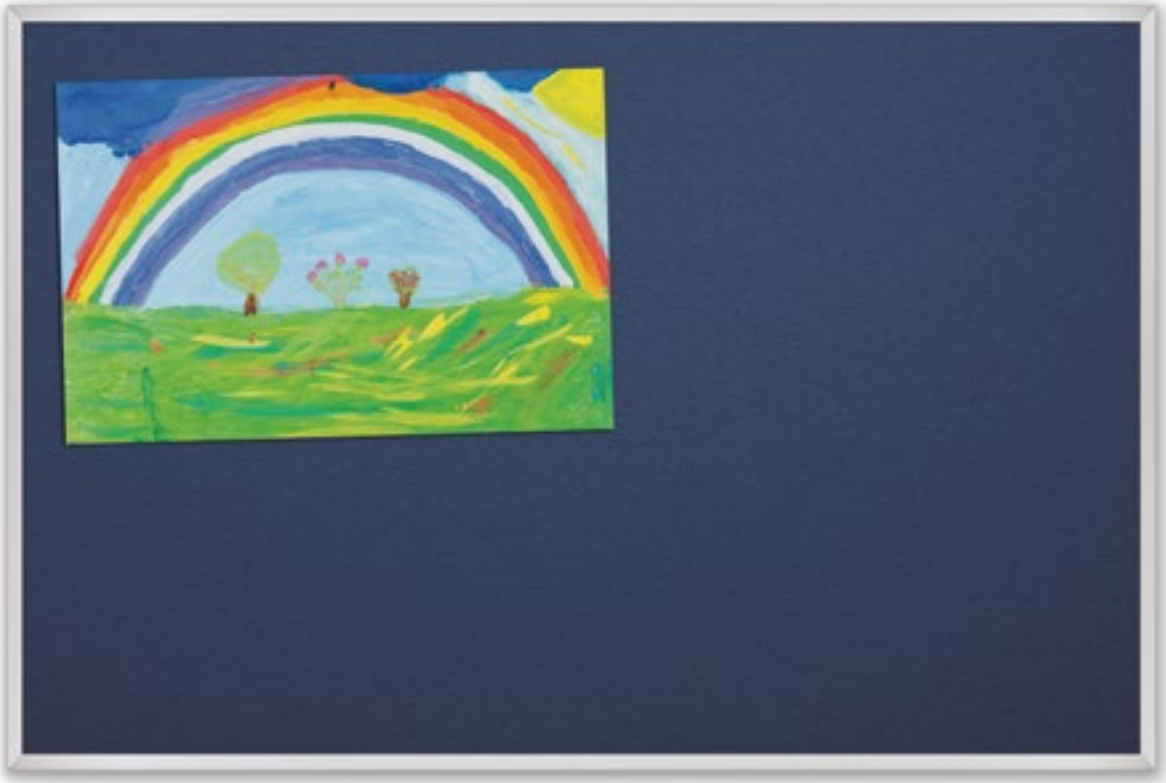

Standard Includes

- Layer of polyolefin fabric over 7/16" insulation board substrate
- Anodized aluminum trim with 7/8" profile and hairline mitered corners

Options

- Available in multiple standard sizes
- Custom sizing available
- Available in multiple standard colors (see p. 17 for swatches)

Inklüd™ Mobile Whiteboard

Get mobile dry erase space, facilitate group learning, and even create private work areas with the Inklüd™ Mobile Whiteboard.

Featuring anodized aluminum trim that coordinates seamlessly with other members of the Inklüd family, the mobile whiteboard comes with a magnetic porcelain steel surface to fit any need or environment, from corporate to classroom.

Available in two sizes, the 30"W board is a perfect fit for small groups or spaces, while the larger 72"W board is ideal for larger groups, or for use as a mobile room divider.

Double-sided dry erase porcelain whiteboard writing surfaces provide optimal performance and durability. The surface on the smaller board measures 48"H x 30"W, and 48"H x 72"W on the larger.

Wide base design provides stability, and heavy duty locking casters give you easy mobility.

SCS Indoor Advantage Gold Certified.

Standard Includes

- Anodized aluminum trim with tubular sides and legs
- Double sided in porcelain steel whiteboard
- Includes heavy duty locking casters

Part No.	Description	Dimensions	Ship Wt.	Base MSRP

Ogee Curved Easel

The curved whiteboard surface on the Ogee Curved Easel maximizes the use of the writing surface while giving it a sleek high end design look.

Surface measures 72"H × 36"W. Curved bottom makes writing on the lower portion of the board easier.

Middle storage tray also functions as a handle to easily move the Ogee around wherever it's needed. Great for space division. Boards nest using the handle.

Comes standard with a marker tray, and bottom shelf provides storage space.

SCS Indoor Advantage Gold Certified.

Standard Includes

- Anodized aluminum trim with plastic accent pieces
- Iinternal accessory tray and storage compartment
- Handle for easy mobility and nesting multiple easels
- Dual-wheel casters

D.O.C. Mobile Room Divider & Display Panel - Glass Surface

Fresh modern style enhances creativity in your work environment. Pairing elegant magnetic glass whiteboard with a mobile aluminum frame, D.O.C. Glass Room Dividers allow you the freedom to divide, organize, and customize your space to fit your individual needs

Modular panels move wherever needed to create whatever space is needed.

Double sided in tempered safety glass to provide smooth writability and erasability. Glass is backed with steel to accept rare earth magnets for even more functionality.

Divider comes standard with gloss white glass, but we also provide the ability to customize the glass panel in a variety of ways to personalize your workspace, including color and graphic printing options.

SCS Indoor Advantage Gold Certified.

Standard Includes

- Anodized aluminum trim with plastic accent pieces
- Double sided tempered safety glass surface backed with steel to accept rare earth magnets
- Glass surface standard in gloss white finish
- Locking casters
- Straight leg design for stability and minimal gapping

Options

- Available in 6' × 6' or 6' × 8' panels
- Customizable graphics available
- Customizable color available
- Customizable laminate kickplate

Essentials Mobile Clear Divider

Get clear protection for your office, school, and industrial spaces! Now available with clear plastic panel to create spaces that are protected yet still maintain visibility, the Essentials Mobile Clear Divider provides mobile and see-through protection for your guests, employees, students, and more.

Ideal for use between workers on an assembly line, students in class, customer facing positions, or anywhere else you need to provide an easy to disinfect clear divider.

Note: When cleaning clear screens always be sure to use a soft, non-abrasive cloth, such as a microfiber or lint free cloth, and apply light pressure only. Never use paper towels as it will scratch.

SCS Indoor Advantage Gold Certified.

Standard Includes

- Anodized aluminum trim with plastic accent pieces
- Double sided clear surface that accepts dry erase markers (writing space measures 54"H × 68"W)
- Wide base design for stability
- Heavy duty locking casters

Part No.	Description	Dimensions	Ship Wt.	Base MSRP
A. Essentials Mobile Clear Divider				
62506-CLEAR	Essentials Mobile Clear Divider (Large)	71.8"H × 68"W × 21"D	60 lbs	$1,332.20

Porcelain Steel Panel - Unframed

Magnetic porcelain steel whiteboards are engineered for superior color contrast with dry erase markers. Standard gloss dry erase surface provides superior writability and erasability with no ghosting. Reduced surface light distortion enhances visibility to provide optimum eye comfort.

Steel is permanently laminated to a lightweight substrate for stability and durability.

Fifty year limited warranty. SCS Indoor Advantage Gold Certified.

Technical Information

- A precisely balanced porcelain enamel ground coat is furnace-fused to both sides of 28-gauge (standard) or 24-gauge (custom) steel.
- The first furnace fuses a ground coat of enamel that is heat-softened at approximately 1450°F. The second furnace firing fuses a coat of enamel to the ground coat enamel.
- Color Fusion ceramic top coat is applied providing the desired surface color. Off- white is standard.
- A fade resistant waterproof resin glue bonds the porcelain to a moisture-resistant core and .005" polyester foil backer sheet.

Standard Includes

- Unframed porcelain steel panel laminated to durable and moisture-resistant substrate

Options

- Sold per square foot, 4'H panel size standard
- Custom sizing available
- Available with upgraded sheet aluminum backer
- Cover bar for seams available

Part No.	Description	Dimensions	Ship Wt.	Base MSRP
A. Porcelain Steel Panels

Natural Cork Panels & Rolls

Renew or replace any torn or worn board with natural cork panels and rolls. Natural cork is an environmentally responsible and naturally renewable resource. Cork is harvested from a cork tree, stripped with careful cuts that do not harm the inner core of the tree. The cork bark regrows, and this process allows a useful life of more than 150 years for each tree.

Ten year limited warranty. SCS Indoor Advantage Gold Certified. Custom sizes available. Call for details.

Technical Information

- Natural cork surface offers excellent resiliency and tack holding properties.
- Cork layer consists of finely grained composition cork produced with .5mm granulated cork and a polyurethane binder.
- Add-Cork has a 1/8" thick layer of natural cork with a 7/8" thick layer of rigid and durable substrate.
- Cork-Plate has a 1/4" thick layer of natural cork bonded to a 1/4" thick layer of rigid and moisture-resistant substrate.

Options

- 4'H panel or roll size standard
- Custom sizing available
- Natural cork roll is available either cut to size or in precut sizes. Adhesive for rolls sold separately. Please add fiberboard or other appropriate backer to allow for use as tack surface.

Part No.	Description	Dimensions	Ship Wt.	Base MSRP

Colored Cork Panel

Renew or replace any torn or worn board with Colored Cork panels. Colored Cork features colorful and durable Forbo® linoleum, produced from natural and renewable raw materials.

A combination of oxidized linseed oil, rosin and finely ground cork gives this board its flexibility and resilience. This combination results in a product with exceptional durability and a sustainable footprint.

The natural self-sanitizing quality of linoleum inhibits contaminants for a low maintenance board. The surface does not attract dust and has bacteriostatic properties. This makes it a practical solution in classrooms and a hygienic choice in healthcare environments.

Surface is self-healing and colored throughout to ensure colorfastness and eliminate fading. The board material retains its grip and doesn't crumble like traditional soft boards as the tack holes close after extraction of the pins.

Ten year limited warranty. SCS Indoor Advantage Gold Certified.

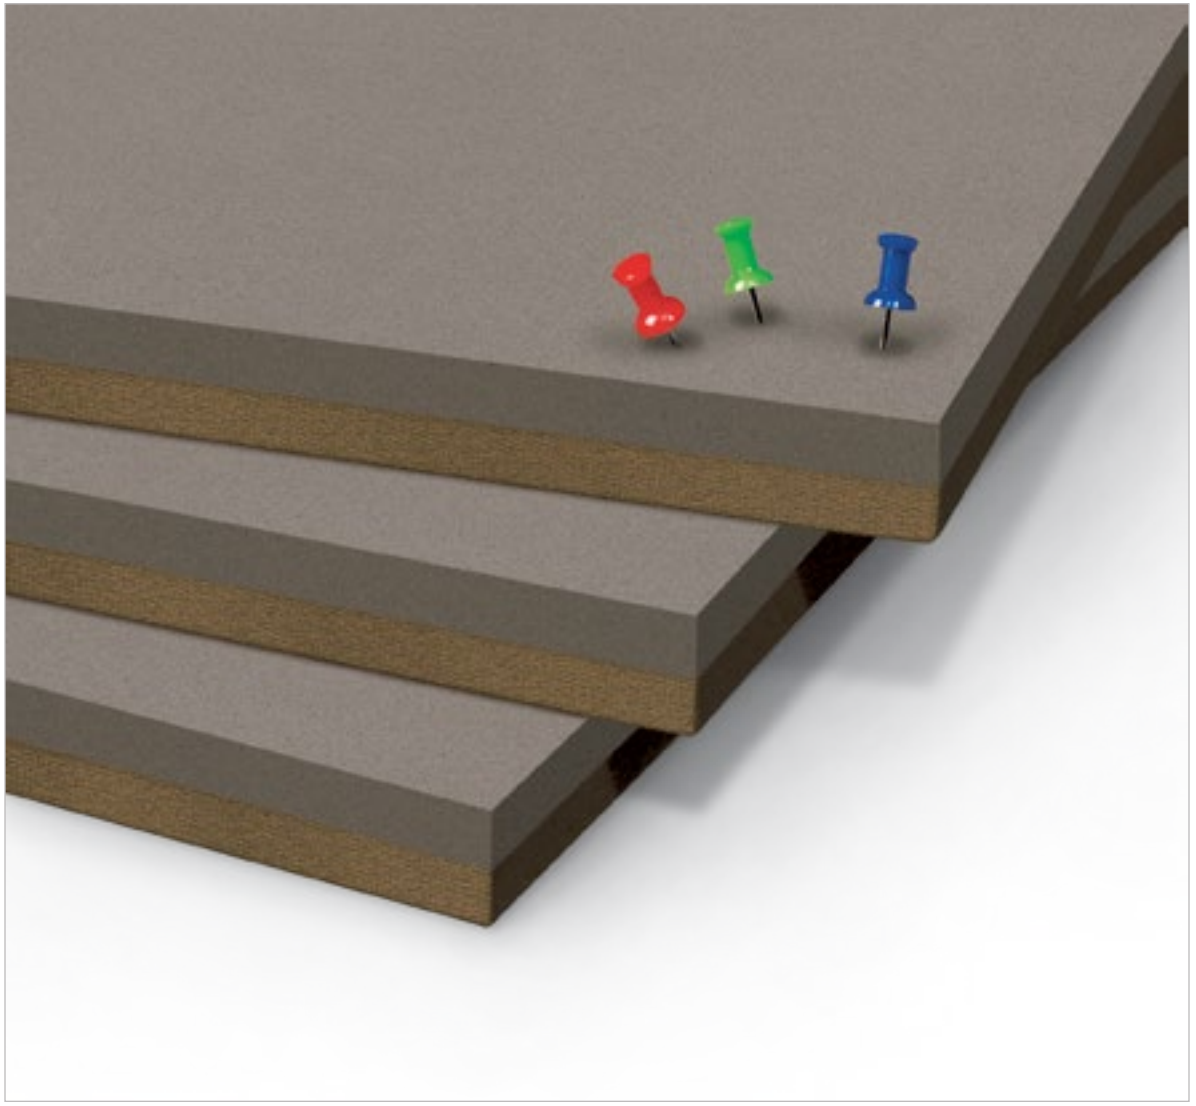

Technical Information

- Colored Cork surface is made with Forbo® linoleum permanently adhered to a moisture-resistant substrate.
- Colored Cork meets ASTM E-84 (Fuel Contribution) – Class B and NFPA 253 (Critical Radiant Flux) – Class II ratings.
- Not susceptible to build-up of electrostatic charges, is self-healing, and reduces light reflections.
- Resistant to bacteria and to diluted acids, solvents, and other materials.

Options

- 4'H panel size standard
- Custom sizing available
- Available in multiple standard and custom colors (see p. 16 for swatches)

Part No.	Description	Dimensions	Ship Wt.	Base MSRP
A. Colored Cork Panel				
322X	Colored Cork-Plate Tackboard Material – Unframed	per sq. ft.	2 lbs	$21.00

Colored Cork Self-Adhesive Skin

Renew or replace any torn or worn board with Colored Cork self-adhesive Skin. Colored Cork features colorful and durable Forbo® linoleum, produced from natural and renewable raw materials.

A combination of oxidized linseed oil, rosin and finely ground cork gives this board its flexibility and resilience. This combination results in a product with exceptional durability and a sustainable footprint.

The natural self-sanitizing quality of linoleum inhibits contaminants for a low maintenance board. The surface does not attract dust and has bacteriostatic properties. This makes it a practical solution in classrooms and a hygienic choice in healthcare environments.

Surface is self-healing and colored throughout to ensure colorfastness and eliminate fading. The board material retains its grip and doesn't crumble like traditional soft boards as the tack holes close after extraction of the pins.

Ten year limited warranty. SCS Indoor Advantage Gold Certified.

Caution: Self-stick adhesive is intended for resurfacing on an existing board surface and has not been tested for use on other materials.

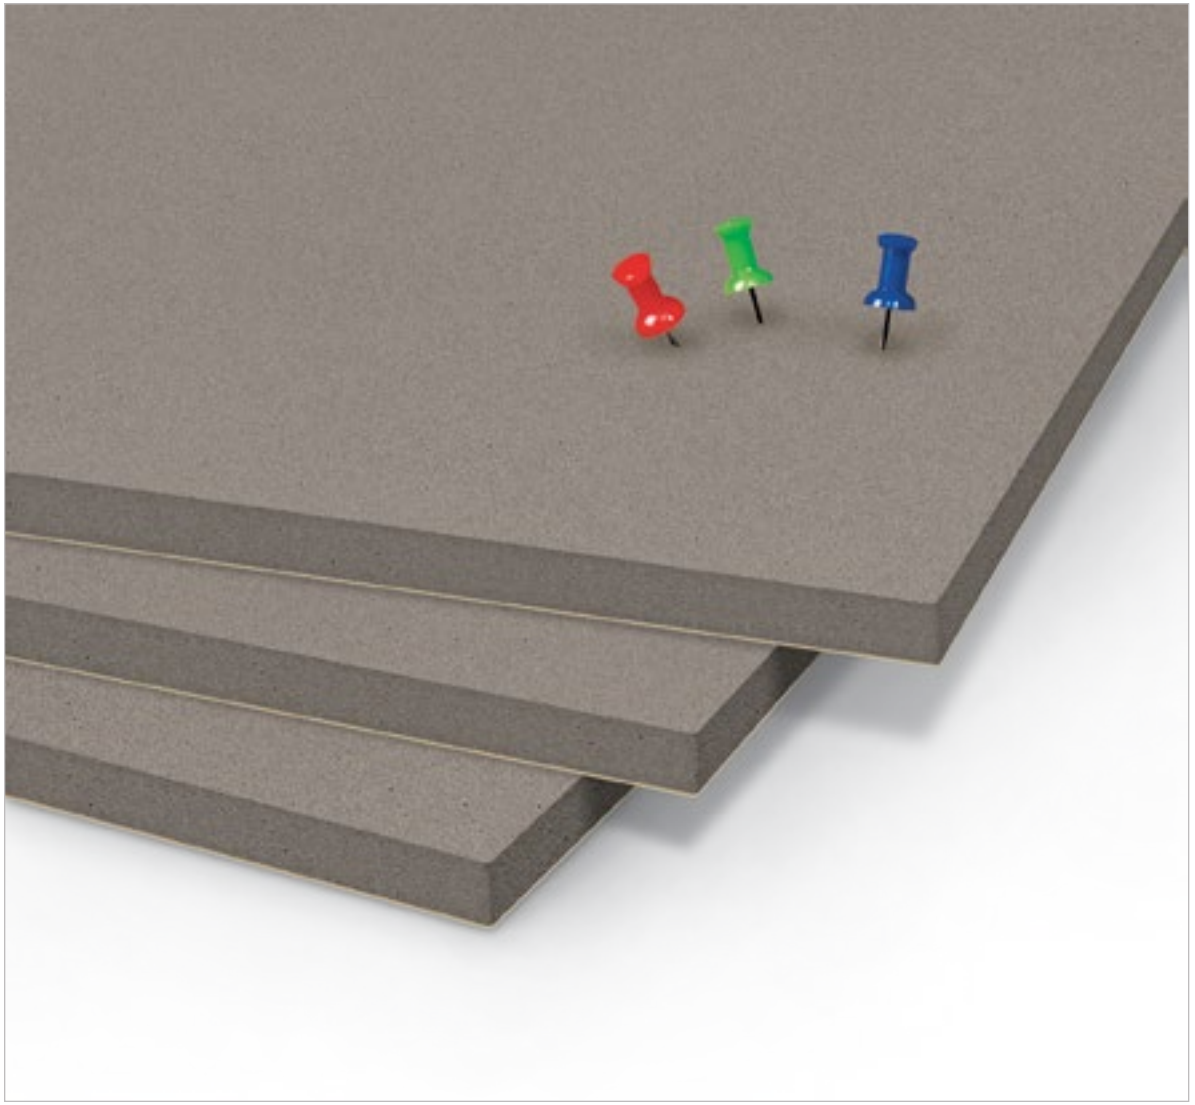

Technical Information

- Colored Cork surface is made with Forbo® linoleum permanently adhered to a moisture-resistant substrate.
- Colored Cork meets ASTM E-84 (Fuel Contribution) – Class B and NFPA 253 (Critical Radiant Flux) – Class II ratings.
- Not susceptible to build-up of electrostatic charges, is self-healing, and reduces light reflections.
- Resistant to bacteria and to diluted acids, solvents, and other materials.

Options

- 4'H panel size standard
- Custom sizing available
- Available in multiple standard and custom colors (see p. 16 for swatches)

Part No.	Description	Dimensions	Ship Wt.	Base MSRP
A. Colored Cork Self-Adhesive Skin				
325J	Colored Cork Self-Adhesive Skin	per sq. ft.	1 lb	$20.00

Vinyl Tackboard Panel

Renew or replace any torn or worn board with vinyl covered tackboard panels. Fabric-backed vinyl over lightweight substrate makes an economical and attractive tackboard. Easy to clean surface. Vinyl is treated to resist the growth of odor- and stain-causing microbes.

Ten year limited warranty. SCS Indoor Advantage Gold Certified.

Technical Information

- Vinyl tackboards are fade-resistant and are easily cleaned with common detergents and water.
- The vinyl covering meets or exceeds all requirements of Federal Specifications CCCW-408A Quality Standard for Vinyl Coated Fabric Wallcovering CFFA-W-101A, and the Standard Classification of Wallcoverings by Durability Characteristics of ASTM-F-793-82 for the type and category classified, including 24 hour cleanability tests based on ASTM method D1308.
- The vinyl is treated with an antimicrobial to resist the growth of mildew and bacteria.
- Natural cork surface offers excellent resiliency and tack holding properties.
- Cork layer consists of finely grained composition cork produced with .5mm granulated cork and a polyurethane binder.
- Add-Cork has a 1/8" thick layer of natural cork with a 7/8" thick layer of rigid and durable substrate.
- Cork-Plate has a 1/4" thick layer of natural cork bonded to a 1/4" thick layer of rigid and moisture-resistant substrate.

Options

- 4'H panel size standard
- Custom sizing available
- Available in Vin-Tak, Vinyl Covered Add-Cork, or Vinyl Covered Cork-Plate materials
- Vin-Tak material available with cut edge or wrapped edge
- Available in multiple standard colors (see p. 17 for swatches)

Part No.	Description	Dimensions	Ship Wt.	Base MSRP
A. Vinyl Tackboard Panel				
311X	Vin-Tak Tackboard Unframed – Cut Edge	per sq. ft.	1 lb	$12.25
314E	Vin-Tak Tackboard Unframed – Wrapped Edge	per sq. ft.	1 lb	$13.25
312X	Vinyl Covered Add-Cork Unframed	per sq. ft.	1 lb	$13.75
313X	Vinyl Covered Cork-Plate Unframed	per sq. ft.	2 lbs	$16.75

312X

Fabric Tackboard Panel

Renew or replace any torn or worn board with fabric covered tackboard panels. Durable and non-fraying fabric over a lightweight tackable substrate creates an economical and attractive tackboard. Polyolefin fabric is washable and unaffected by most common household chemicals, salts, and cleansers. Fabric is also treated to resist the growth of stain- and odor-causing microbes, and is available in three colors.

Ten year limited warranty. SCS Indoor Advantage Gold Certified.

Technical Information

- Fabric consists of 100% woven Polyolefin with a latex backing.
- Tested by an independent laboratory against standards for upholstery fabrics set by the National Association of Furniture Manufacturers.
- Washable and unaffected by most household chemicals, salts, and cleansers.
- Vacuuming or light brushing is recommended to prevent dust and soil build up.
- Natural cork surface offers excellent resiliency and tack holding properties.
- Cork layer consists of finely grained composition cork produced with .5mm granulated cork and a polyurethane binder.
- Add-Cork has a 1/8" thick layer of natural cork with a 7/8" thick layer of rigid and durable substrate.
- Cork-Plate has a 1/4" thick layer of natural cork bonded to a 1/4" thick layer of rigid and moisture-resistant substrate.

Options

- 4'H panel size standard
- Custom sizing available
- Available in Fab-Tak, Fabric Covered Add-Cork, or Fabric Covered Cork-Plate materials
- Fab-Tak material available with cut edge or wrapped edge
- Available in multiple standard colors (see p. 17 for swatches)

Resurfacing Tools

Make resurfacing your old board easy with our adhesive and panel roller.

Adhesive intended for use with panels only. Skin include self-stick adhesive backing.

Roller eliminates bubbles and bulges from your resurfaced board, ensuring good adhesion and a smooth surface.

SCS Indoor Advantage Gold Certified.

Part No.	Description	Dimensions	Ship Wt.	Base MSRP
A. Panel Adhesive				
531	Panel Adhesive (4 tubes – covers approx. 16 sq. ft.)	30 oz. ea.	4 lbs	$103.86
B. Panel Roller				
545	Panel Roller	9"H × 9"W	5 lbs	$119.25

Economy Enclosed Bulletin Board Cabinet

A unique, economical, and easy to use bulletin board cabinet for your lobby, foyer, hallway, or any other common walkway.

Mount the board to the wall with included hardware, then attach the cover to the frame and lock.

The removable locking cover easily lifts off in one piece to give you access to the tackable surface.

SCS Indoor Advantage Gold Certified.

Standard Includes

- 1/2" anodized aluminum trim
- 1/8" Plexiglas face
- 1" internal depth
- Locking door helps prevent tampering

Options

- Natural cork back surface standard
- Multiple standard sizes available

Part No.	Description	Dimensions	Ship Wt.	Base MSRP

A. Glass Accessory Tray				
572	Glass Accessory Tray	1"H × 12"W × 4"D	2 lbs	$59.18

Brass Finish Mounts for Visionary® Boards

Modern Visionary Brass Finish Mounts add an extra chic element to any Visionary Magnetic Glass Board.

All Visionary boards come standard with stainless steel mounts in a silver finish, but now you can purchase a set of brass-toned mounts and elevate your environment with a subtle yet upscale appearance.

Coordinating easily with all of our available color options, you can also customize the color (and graphic printing) on your Visionary board for a look as on-trend as you desire.

Order a set of four mounts for boards 47.2"H × 47.2"W and smaller, a set of six mounts for boards 47.2"H × 70.9"W, or a set of eight mounts for boards 47.2"H × 94.5"W.

SCS Indoor Advantage Gold Certified.

Magnetic Q-Tray

Magnetic Q-Trays attach to any magnetic surface for instant marker and eraser storage. Purchase two or more for larger boards.

Please note: For standard magnetic whiteboards only. For magnetic glass boards use rare earth magnets.

SCS Indoor Advantage Gold Certified.

Standard Includes

- Black plastic tray measures 16"W × 2.5"D
- Four rare earth magnets adhered to the back of the tray

Part No.	Description	Dimensions	Ship Wt.	Base MSRP
A. Magnetic Q-Tray				
MT-16	Magnetic Q-Tray (Black)	1.3"H × 16"W × 2.5"	2 lbs	$62.12

Magnetic Accessory Tray

Magnetic accessory trays attach to any surface that accepts magnets for instant and convenient marker and eraser storage. Purchase two or more for larger boards.

Please note: For standard magnetic whiteboards only. For magnetic glass boards use rare earth magnets.

SCS Indoor Advantage Gold Certified.

Standard Includes

- Black plastic tray measures 12"W × 2.3"D
- Magnets adhered to the back of the tray

Part No.	Description	Dimensions	Ship Wt.	Base MSRP
A. Magnetic Accessory Tray				
MT-12G	Magnetic Accessory Tray (Gray)	1.3"H × 12"W × 2.3"D	2 lbs	$40.18

Magnetic Eraser Cloth

The Magnetic Eraser Cloth features a magnet sewn into one corner to easily attach to any surface that accepts magnets. Cloth wipes dry erase marker cleanly and with no ghosting. Ideal for boards without a tray, the cloth conveniently stores wherever it is needed.

Please note: For standard magnetic whiteboards only. For magnetic glass boards use rare earth magnets.

SCS Indoor Advantage Gold Certified.

Standard Includes

- 8" × 8" black textured cloth
- Magnet sewn into one corner

Part No.	Description	Dimensions	Ship Wt.	Base MSRP
A. Magnetic Eraser Cloth				
555	Magnetic Eraser Cloth	8"H × 8"W	1 lb	$3.16

Cubicle Board Hangers

Add instant hanging space to virtually any cubicle wall. Mount a whiteboard, tackboard, framed photograph, or artwork with ease.

SCS Indoor Advantage Gold Certified.

Standard Includes

- Lightweight plastic enclosure with steel hooks
- Sold in sets of 2
- Holds up to 50 lbs.
- Screw-adjust mechanism to fit wall thicknesses from 1" to 2-1/2"

Desks

Hierarchy Beam Desk + Porcelain Steel Top

The Hierarchy Beam Desk brings simplicity and functionality in a customizable package made to fit any classroom or study setting. Available with a porcelain steel whiteboard top, designed to provide space for doodling, jotting down notes and ideas, and brainstorming. Surface accepts magnets for even more versatility.

Porcelain reduces ambient reflection and glare over standard markerboard, providing a more comfortable to use writing surface. Porcelain also has superior erasability, and comes with a lifetime guarantee.

Tests show porcelain is 2.5 times harder and twice as scratch-resistant as laminate, reducing dents, dings, and other damage. Surface is also 5.5 times more wear-resistant.

Erasability is 2.5 times better on a porcelain surface versus laminate dry erase surface when both surfaces are new, and holds up to use, showing 5 times better erasability over time.

Porcelain top is also resistant to delamination, keeping dry erasability intact for the life of the desk.

SCS Indoor Advantage Gold Certified.

Standard Includes

- 1-1/4" top with 24-gauge porcelain steel whiteboard surface material
- Molded polypropylene edge banding in charcoal, raised slightly for a fully encapsulated top to deter rust
- Powder-coated steel Hierarchy legs with chrome inserts and floor safe swivel glides
- Height adjustable from 18" to 29"H with standard desk height leg inserts

Options

- Legs available in black or platinum
- **Please note:** black leg option carries a longer lead time and MOQ for youth height and standing height versions
- Youth height leg option for 12" to 18"H adjustment
- Standing height leg option for 27" to 42"H adjustment
- Casters (locking and non-locking) available
- Book box options available
- Pack hook available (holds up to 50 lbs)
- Ganging device available
- Clamp Mount Outlet & USB Charger available

Hierarchy Creator Desk + Porcelain Steel Top

Hierarchy Creator Desk brings simplicity and functionality in a customizable package made to fit any classroom or study setting. Available with a porcelain steel whiteboard top, designed to provide space for doodling, jotting down notes and ideas, and brainstorming. Surface accepts magnets for even more versatility.

Porcelain reduces ambient reflection and glare over standard markerboard, providing a more comfortable to use writing surface. Porcelain also has superior erasability, and comes with a lifetime guarantee.

Tests show porcelain is 2.5 times harder and twice as scratch-resistant as laminate, reducing dents, dings, and other damage. Surface is also 5.5 times more wear-resistant.

Erasability is 2.5 times better on a porcelain surface versus laminate dry erase surface when both surfaces are new, and holds up to use, showing 5 times better erasability over time.

Porcelain top is also resistant to delamination, keeping dry erasability intact for the life of the desk.

SCS Indoor Advantage Gold Certified.

Standard Includes

- 1-1/4" top with 24-gauge porcelain steel whiteboard surface material
- Molded polypropylene edge banding in black, raised slightly for a fully encapsulated top to deter rust
- Powder-coated steel Hierarchy legs with chrome inserts and floor safe swivel glides
- Height adjustable from 18" to 29"H with standard desk height leg inserts

Options

- Legs available in black or platinum
- **Please note:** black leg option carries a longer lead time and MOQ for youth height and standing height versions
- Youth height leg option for 12" to 18"H adjustment
- Standing height leg option for 27" to 42"H adjustment
- Casters (locking and non-locking) available
- Enclosed book box available
- Wire book box available
- Sliding tote tray available
- Pack hook available (holds up to 50 lbs)
- Ganging device available
- Clamp Mount Outlet & USB Charger available

Hierarchy Rectangle Desk + Porcelain Steel Top

The Hierarchy Rectangle Desk brings simplicity and functionality in a customizable package made to fit any classroom or study setting. Available with a porcelain steel whiteboard top, designed to provide space for doodling, jotting down notes and ideas, and brainstorming. Surface accepts magnets for even more versatility.

Porcelain reduces ambient reflection and glare over standard markerboard, providing a more comfortable to use writing surface. Porcelain also has superior erasability, and comes with a lifetime guarantee.

Tests show porcelain is 2.5 times harder and twice as scratch-resistant as laminate, reducing dents, dings, and other damage. Surface is also 5.5 times more wear-resistant.

Erasability is 2.5 times better on a porcelain surface versus laminate dry erase surface when both surfaces are new, and holds up to use, showing 5 times better erasability over time.

Porcelain top is also resistant to delamination, keeping dry erasability intact for the life of the desk.

SCS Indoor Advantage Gold Certified.

Standard Includes

- 1-1/4" top with 24-gauge porcelain steel whiteboard surface material
- Molded polypropylene edge banding in charcoal, raised slightly for a fully encapsulated top to deter rust
- Powder-coated steel Hierarchy legs with chrome inserts and floor safe swivel glides
- Height adjustable from 18" to 29"H with standard desk height leg inserts

Options

- Legs available in black or platinum
- **Please note:** black leg option carries a longer lead time and MOQ for youth height and standing height versions
- Youth height leg option for 12" to 18"H adjustment
- Standing height leg option for 27" to 42"H adjustment
- Casters (locking and non-locking) available
- Book box options available
- Pack hook available (holds up to 50 lbs)
- Ganging device available
- Clamp Mount Outlet & USB Charger available

Height Adjustable Flipper Desk

Specially designed to easily accommodate a range of ages and sizes, the Height Adjustable Flipper Desk is one of the most flexible desk systems on the market.

Desks adjust to allow easy viewing with stadium style seating. Desks can be used with chairs, stools, or while standing, allowing students to choose the most comfortable position, promoting active learning and improved focus.

Tops flip back with a simple one handed lever mechanism to allow for easy transport and nesting for compact storage.

Tops are available in three fun and functional shapes: fender by MooreCo, beluga, and rectangle. Desks can be used individually or joined together for group pods, easy to set up for collaborative activities.

Please note: Custom orders and whiteboard top option are subject to an upcharge and laminate availability. Please contact your sales representative for current availability and lead time.

SCS Indoor Advantage Gold Certified.

Standard Includes

- 1" thick HPL top with 3mm flat edge band
- Top flips back with one handed lever mechanism
- Black powder-coated steel base

Instructor Desk Right

Avid Modular Desk System

The flexible and customizable design of the Avid Modular Desk System makes creating your ideal workspace a breeze. Platinum base adds style to any space.

Available with four basic top sizes, HPL desktops (1-1/8" thick) are available in standard or custom laminates.

Pedestals offer ample file and supply storage and include screw-on handles.

Return desk option can be assembled as either right or left-handed depending on your needs.

Add the pneumatic conference end for ergonomic conference space.

Instructor desk option is ideal for classroom and other educational settings. Podium available to coordinate with your Avid Desk or stands alone.

Optional glides available. Includes spacer to match the height of casters. A set of file cabinet glides is needed for each file cabinet/pedestal. A single pedestal desk will need a set of desk glides and file cabinet glides. A double pedestal desk will need two sets of file cabinet glides.

Please note: Custom orders and whiteboard top option are subject to an upcharge and laminate availability. Please contact your sales representative for current availability and lead time information.

Elate Electric Height Adjustable Desk (2-Leg)

The Elate Electric Height Adjustable Desk is the energetic and ergonomic addition to any work environment. With easy to use and powerful multi-motor electric sit-to-stand adjustment, you can set for virtually any height, activity and position.

Sit-to-stand desks are well known to contribute to increased focus, improved posture, fewer energy dips, and variety of other benefits.

Motors feature soft start and stop and a gyro sensor anti-collision mechanism. Digital keypad provides single-touch adjustment with three memory settings, and slides under the work surface when not in use.

Desks feature either 17"or 26" of height adjustability, and work with either a chair, stool, or standing use to allow position changes throughout the day.

Depending on the configuration selected, Elate Electric Height Adjustable Desks come with a set of either two or three legs.

Durable and rigid powder-coated steel base available in black, platinum, or white for a modern touch to any environment.

Add casters to any model for convenient mobility and position of the desk where needed. Casters feature locks, and add 2" to overall desk height.

Please note: Custom orders and whiteboard top option are subject to an upcharge and laminate availability. Please contact your sales representative for current availability and lead time information.

SCS Indoor Advantage Gold Certified.

Hierarchy Activity Kidney Table + Porcelain Steel Top

The Hierarchy Activity Table is an ideal configurable classroom system with full right- and left-hand accessibility. Specifically designed for supporting a variety of learning modes to promote interaction in your classroom.

Porcelain reduces ambient reflection and glare over standard markerboard, providing a more comfortable to use writing surface. Porcelain also has superior erasability, and comes with a lifetime guarantee.

Tests show porcelain is 2.5 times harder and twice as scratch-resistant as laminate, reducing dents, dings, and other damage. Surface is also 5.5 times more wear-resistant.

Erasability is 2.5 times better on a porcelain surface versus laminate dry erase surface when both surfaces are new, and holds up to use, showing 5 times better erasability over time.

Porcelain top is also resistant to delamination, keeping dry erasability intact for the life of the desk.

SCS Indoor Advantage Gold Certified.

Standard Includes

- 1-1/4" top with 24-gauge porcelain steel whiteboard surface material
- Molded polypropylene edge banding in charcoal, raised slightly for a fully encapsulated top to deter rust
- Powder-coated steel Hierarchy legs with chrome inserts and floor safe swivel glides
- Height adjustable from 18" to 29"H with standard desk height leg inserts

Options

- Legs available in black or platinum
- **Please note:** black leg option carries a longer lead time and MOQ for youth height and standing height versions
- Youth height leg option for 12" to 18"H adjustment
- Standing height leg option for 27" to 42"H adjustment
- Casters (locking and non-locking) available
- Book box options available
- Pack hook available (holds up to 50 lbs)
- Ganging device available
- Clamp Mount Outlet & USB Charger available

Hierarchy Activity Rectangle Table + Porcelain Steel Top

Hierarchy Activity Table brings simplicity and functionality in a customizable package made to fit any classroom or study setting. Available with a porcelain steel whiteboard top, designed to provide space for doodling, jotting down notes and ideas, and brainstorming. Surface accepts magnets for even more versatility.

Porcelain reduces ambient reflection and glare over standard markerboard, providing a more comfortable to use writing surface. Porcelain also has superior erasability, and comes with a lifetime guarantee.

Tests show porcelain is 2.5 times harder and twice as scratch-resistant as laminate, reducing dents, dings, and other damage. Surface is also 5.5 times more wear-resistant.

Erasability is 2.5 times better on a porcelain surface versus laminate dry erase surface when both surfaces are new, and holds up to use, showing 5 times better erasability over time.

Porcelain top is also resistant to delamination, keeping dry erasability intact for the life of the desk.

Hierarchy Creator Table + Porcelain Steel Top

Hierarchy Creator Table brings simplicity and functionality in a customizable package made to fit any classroom or study setting. Available with a porcelain steel whiteboard top, designed to provide space for doodling, jotting down notes and ideas, and brainstorming. Surface accepts magnets for even more versatility.

Porcelain reduces ambient reflection and glare over standard markerboard, providing a more comfortable to use writing surface. Porcelain also has superior erasability, and comes with a lifetime guarantee.

Tests show porcelain is 2.5 times harder and twice as scratch-resistant as laminate, reducing dents, dings, and other damage. Surface is also 5.5 times more wear-resistant.

Erasability is 2.5 times better on a porcelain surface versus laminate dry erase surface when both surfaces are new, and holds up to use, showing 5 times better erasability over time.

Porcelain top is also resistant to delamination, keeping dry erasability intact for the life of the desk.

SCS Indoor Advantage Gold Certified.

Standard Includes

- 1-1/4" top with 24-gauge porcelain steel whiteboard surface material
- Molded polypropylene edge banding, raised slightly for a fully encapsulated top to deter rust
- Powder-coated steel Hierarchy legs with chrome inserts and floor safe swivel glides
- Height adjustable from 18" to 29"H with standard desk height leg inserts

Options

- Legs available in black or platinum
- **Please note:** black leg option carries a longer lead time and MOQ for youth height and standing height versions
- Youth height leg option for 12" to 18"H adjustment
- Standing height leg option for 27" to 42"H adjustment

Activity Table Youth Height Leg Insert

The Activity Table brings simplicity and functionality made to fit any classroom or study setting. Tables offer quick and easy assembly and height adjustability for all ages.

Optional youth height leg insert brings more accessiblity to younger ages, lowering the overall table adjustment on all Activity Tables to 15" to 24"H.

Limited lifetime warranty. SCS Indoor Advantage Gold Certified.

Akt Round Table

The Akt collection combines the principles of human development to be able to "Akt" with purpose and intention. Akt tables are ideally suited for secondary learners, higher education students, and employees in the workforce.

With sophistication and sleek style, Akt tables can be used for individual work, collaborative spaces, or team activities.

The Akt table surface provides plenty of space for writing or planning, all on a unitized frame for improved structural strength and stability.

Please note: Custom orders and whiteboard top option are subject to an upcharge and laminate availability. Please contact your sales representative for current availability and lead time information.

SCS Indoor Advantage Gold Certified.

Standard Includes

- 1-1/8" thick HPL top with 3mm flat edge band
- Powder-coated steel legs in platinum
- Unitized frame for improved structural strength and stability
- 3" dual-wheel casters (two locking)

Options

- Customizable HPL (see p. 7–8 for swatches)
- Customizable edge band (see p. 7–8 for swatches)
- Angled legs available in rectangle or round shape
- Available with casters (standard) or glides
- Available in 29", 36", or 42"H

36" and 42"H tables include integrated foot rest for comfort and stability.

Inklüd™ Table (Fixed Height C-Leg)

Empower users to maximize their productivity with the versatile line of Inklüd tables. A practical solution for middle school, higher education, and commercial use, the sleek, simple profile suits any environment.

This line adapts to fulfill virtually any function with customizations like flip tops, mobile bases, and adjustable heights. Ideal for shared spaces, users can quickly configure tables to create their optimal working environment.

Please note: Custom orders and whiteboard top option are subject to an upcharge and laminate availability. Please contact your sales representative for current availability and lead time information.

SCS Indoor Advantage Gold Certified.

Standard Includes

- 1-1/8" thick HPL top with 3mm flat edge band
- Powder-coated steel base in platinum

Options

- Available with glides or 3" dual-wheel casters (two locking)
- Available in three fixed heights: 29", 36", and 42"
- Available in multiple size rectangular table tops
- Available with integrated grommets
- Customizable HPL (see p. 7–8 for swatches)
- Customizable edge band (see p. 7–8 for swatches)

Inklüd™ Table (Adjustable Height C-Leg)

Empower users to maximize their productivity with the versatile line of Inklüd tables. A practical solution for middle school, higher education, and commercial use, the sleek, simple profile suits any environment.

This line adapts to fulfill virtually any function with customizations like flip tops, mobile bases, and adjustable heights. Ideal for shared spaces, users can quickly configure tables to create their optimal working environment.

Please note: Custom orders and whiteboard top option are subject to an upcharge and laminate availability. Please contact your sales representative for current availability and lead time information.

SCS Indoor Advantage Gold Certified.

Standard Includes

- 1-1/8" thick HPL top with 3mm flat edge band
- Adjustable height (26"–36"H)
- Powder-coated steel base in platinum

Options

- Available with glides or 3" dual-wheel casters (two locking)
- Available in multiple size rectangular table tops
- Available with integrated grommets
- Customizable HPL (see p. 7–8 for swatches)
- Customizable edge band (see p. 7–8 for swatches)

Inklüd™ Table (Fixed Height T-Leg) + Porcelain Steel Top

Empower users to maximize their productivity with the versatile line of Inklüd tables. A practical solution for middle school, higher education, and commercial use, the sleek, simple profile suits any environment. This line adapts to fulfill virtually any function with available options like flip tops, mobile bases, and adjustable heights.

Now available with a porcelain steel whiteboard top, the Inklüd table surface provides plenty of space for writing or planning, all on a unitized frame for improved structural strength and stability.

Porcelain steel whiteboard provides space for doodling, jotting down notes and ideas, and brainstorming. Surface accepts magnets for even more versatility.

Porcelain reduces ambient reflection and glare over standard HPL markerboard, providing a more comfortable to use writing surface. Porcelain also has superior erasability, and comes with a lifetime guarantee.

Tests show our 24-gauge porcelain is more than twice as hard, and twice as scratch-resistant as laminate, reducing dents, dings, and other damage. Surface is also 5.5 times more wear-resistant than laminate.

Erasability is more than twice as good on a porcelain surface versus laminate dry erase surface, and holds up to use, showing better erasability over time.

Porcelain resists delamination, keeping dry erasability intact for the life of the desk.

Comes with molded polypropylene edge banding. Edge is slightly raised for a fully encapsulated top, ensuring steel will not rust.

SCS Indoor Advantage Gold Certified.

Standard Includes

- 1-1/4" top with 24-gauge porcelain steel whiteboard surface material
- Molded polypropylene edge banding, raised slightly for a fully encapsulated top to deter rust
- Powder-coated steel base in platinum

Compass Makerspace Table (29"H)

Designed to accommodate sketching, experimenting, building, and other facets of the creative process, Compass Makerspace Tables make it easy to create an atmosphere where discovery can take place through hands-on learning.

Tables come standard with durable and scratch-resistant laminate tops, or you can upgrade to butcher block. Butcher block tops are made of solid maple hardwood, designed to withstand years of use in a variety of settings. Optional side panels and shelves complete the tables, providing storage for learning tools. Side panels include peg holes to keep tools handy and organized, leaving a clear tabletop for better use.

The side panels and laminate top edge band colors come in all Hierarchy colors, allowing easy color-coding of zones or other spaces.

Compass Makerspace Tables are safe and suitable for students of all ages, with rounded-edge tops that reduce bumps and bruises. Tables are available in multiple heights and widths, allowing students to sit or stand while working.

Please note: Custom orders and whiteboard top option are subject to an upcharge and laminate availability. Please contact your sales representative for current availability and lead time information.

SCS Indoor Advantage Gold Certified.

Standard Includes

- Powder-coated steel base in platinum
- Dual-wheel high durability locking casters

Compass Makerspace Table Accessories

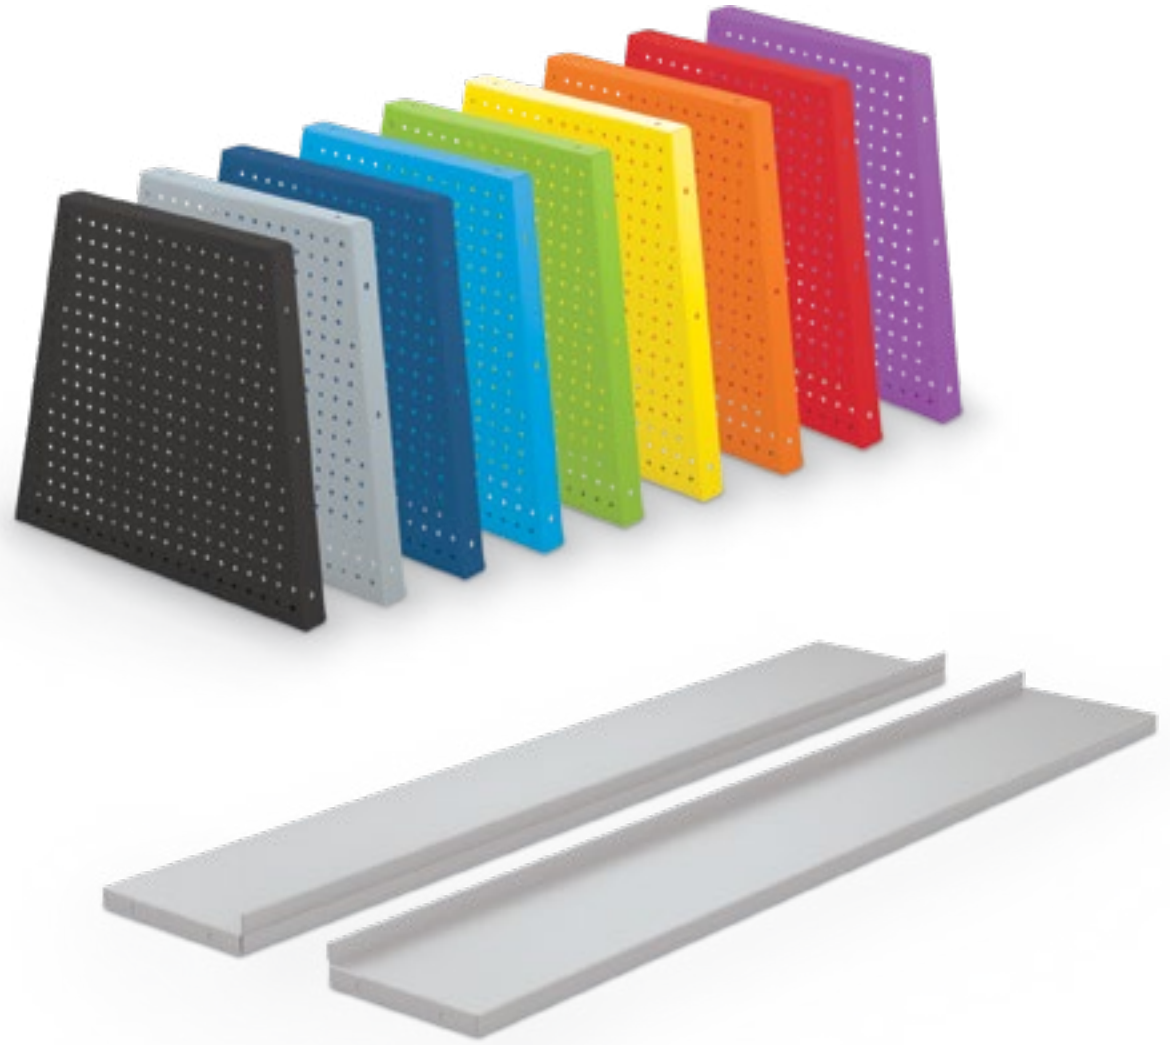

Designed to accommodate sketching, experimenting, building, and other facets of the creative process, Compass Makerspace Tables make it easy to create an atmosphere where discovery can take place through hands-on learning.

Optional side panels and shelves complete the tables, providing storage for learning tools. Side panels include peg holes to keep tools handy and organized, leaving a clear tabletop for better use.

The side panels and laminate top edge band colors come in all Hierarchy colors, allowing easy color-coding of zones or other spaces.

MediaSpace Table - Small

The MediaSpace Table is an effective solution for virtually any group setting, including STEM classrooms and team collaboration environments.

Integrate a variety of technologies using monitor mounts or flat panel carts.

Compact size allows it to fit in a variety of environments. Each MediaSpace Table seats 4 to 5 comfortably. Two back-to-back MediaSpace Tables creates a full group modular conference table.

Available with a customizable top and edge banding. Upgrade to a whiteboard top and you have a full array of communication in one area.

Standard legs are available in black or platinum, and adjust from 22" to 32" high. Upgrade to standing height legs for 27" to 42" height adjustment .

Includes built in grommets for easy cable management, or to add power accessories.

Optional casters for easy mobility wherever it is needed. Optional pack hook for backpack storage.

Please note: Custom orders and whiteboard top option are subject to an upcharge and laminate availability. Please contact your sales representative for current availability and lead time information.

SCS Indoor Advantage Gold Certified.

Standard Includes

- 1-1/8" thick HPL top with 3mm flat edge band
- Grommet included on table top
- Powder-coated steel Hierarchy legs with chrome inserts and floor safe swivel glides
- Height adjustable from 18" to 29"H with standard desk height leg inserts

Options

- Customizable HPL (see p. 7–8 for swatches)
- Customizable edge band (see p. 7–8 for swatches)
- Legs available in black or platinum
- Youth height leg option for 12" to 18"H adjustment
- Standing height leg option for 27" to 42"H adjustment
- Casters (locking and non-locking) available
- Pack hook available (holds up to 50 lbs)
- Ganging device available
- Pop-Up Grommet Outlet & USB Charger available

Luly™ Occasional Table

Our Luly™ family takes on a higher-ed, residential feel, exuding hints of mid-century design blended with modern day needs.

With comfort and user experience in mind, the Luly occasional tables are an ideal addition to add welcome to your lobbies, reception areas, and other public or privately shared spaces, including collaborative and team spaces.

Designed with thoughtful elements, such as the 1960's "squircle" shape for the top, and minimal tapered leg frames.

Available in three sizes: small, medium, or large. Customizable with your choice of laminates and matching edge bands.

SCS Indoor Advantage Gold Certified.

Standard Includes

- Tapered platinum aluminum legs
- HPL top with matching edge band

Options

- Available in three sizes
- Customizable HPL and matching edge band (see p. 7–8 for swatches)

Community Table - 42"

Conversation is more natural and organic when users are seated near each other in a space that allows everyone to be included.

Laminate tables are available in a wide variety of heights, widths, and depths, and come standard with a laminate modesty panel for structural stability. Available in all standard laminates or customize to personalize your space.

Adapt your table to the needs of your space with grommet option, power assembly options, or bag hooks for convenience.

SCS Indoor Advantage Gold Certified.

Please note: Custom orders and whiteboard top option are subject to an upcharge and laminate availability. Please contact your sales representative for current availability and lead time information.

SCS Indoor Advantage Gold Certified.

Standard Includes

- HPL with matching edge banding

Options

- Optional power assemblies available
- Optional grommet(s) available
- Choose from rounded or square corners

Shown with optional bag hooks

Makerspace Robotics Wall Kit

Keep your robotics and other tools and materials secure with new Makerspace Robotics Wall Kits.

Easy to mount see-through walls clamp onto the edge of our Compass Makerspace Tables to keep your robots and other maker space activities on the table to help prevent falling and damage.

Walls come as an easy-to-assemble kit, and fit snugly on any of our 60"W × 30"D or 72"W × 30"D tables.

Bronze tinted acrylic panels allow easy visibility, and are durable for years of use.

High strength aluminum clamps keep the walls mounted securely on your tabletop and match any color scheme, and can be attached anywhere along the table edge.

SCS Indoor Advantage Gold Certified.

Standard Includes

- 6.8"H bronze tinted acrylic panels
- Adjustable high strength aluminum clamps fit top from 3/4" to 1-1/4" thick

Part No.	Description	Dimensions	Ship Wt.	Base MSRP

Hierarchy Enroll® Chair

Available with a tablet that works for right- or left-handed users and a shell with 360° rotation, the Enroll® Chair makes collaborative room configuration a breeze. Wide tablet for students' comfort provides ample room for a tablet or other mobile device along with a notepad.

Tablet available with a porcelain steel whiteboard top, to provide space for doodling, jotting down notes and ideas, and brainstorming. Porcelain reduces ambient reflection and glare over standard whiteboard, providing a more comfortable to use writing surface. Porcelain also has superior erasability, accepts magnets, and comes with a lifetime guarantee.

Flexible and ergonomically shaped seat with lumbar support for easy position changes, eliminating stagnant environments. Smooth reinforced back allows for flex action without sharp ridges.

SCS Indoor Advantage Gold Certified. Patent pending.

Standard Includes

- Ergonomic shell with lumbar support and reinforced back
- Tablet surface measures 29.8"H × 26"W × 14"D with left- or right-handed positioning
- Tablet made with reinforced injection-molded polypropylene in black
- Durable plastic base with storage beneath (21"W × 21"W)
- Chair base features 360° rotation
- 18" seat height
- 2" casters

Options

- Tablet available with porcelain steel whiteboard top
- Multiple shell color options (see p. 11 for swatches)
- Custom colors available (MOQ applies)
- Shell available with or without arms
- Shell available with upholstered seat pad through our graded-in program
- Available with hard or soft casters
- Floor-safe glides available
- Cup holder available, swivels beneath tablet for storage

MooreCo Seed 4-Leg Chair (Educational)

The Seed collection embodies an elegant silhouette that combines slanted curves with angular accents.

The seating surface is as simple as it is sustainable. Pleasant to the touch it is also fully recyclable. The back of the shell has a stylish, geometrical pattern reminiscent of a seed.

Multiple color options and base designs, allow a room to adopt a distinguished and formal vibe or a vibrant and lively mood.

Using only polypropylene and avoiding other materials such as fiberglass, the shell is incredibly soft to touch, yet resistant to intense use.

SCS Indoor Advantage Gold Certified.

Elate Task Chair

Elate Task Chairs are a stylish and ergonomic option for maximizing comfort at your office place or classroom. Featuring customization and adjustment options to provide optimal positioning, the task chair is tailored to each individual for hours of comfort.

This intuitive office chair features a revolutionary weight-sensitive tilt mechanism, allowing it to sense each user's body weight and recline accordingly.

Adjust your task chair easily with six position back rest height options for optimal lumbar support, six position seat depth options, seven position armrest pads with forward and backward adjustment, and four position armrest pad adjustment from left to right.

Chair base includes arm rests and a 5-star base with five non-marring hard casters for gliding movement.

Customize with our graded-in fabric program (COM also available on approval).

SCS Indoor Advantage Gold Certified.

Standard Includes

- Weight-sensitive tilt mechanism
- 21° back tilting angle with three locking positions
- Seat adjusts from 18" to 21"H
- Six back rest height options for optimal lumbar support
- Six seat depth options
- Seven armrest positions
- 5-star base for easy maneuvering

Options

- Fabric choices available through our graded-in program

Elate Perch Stool

Designed by award-winning and globally-acclaimed designer Joey Ruiter, the Elate Perch Stool was conceived with a minimalist approach, and built as a flexible, ergonomic, and personal seating option.

Perching while working is an ideal way to get weight off your feet without sitting, allowing you to lean, move, twist, and reach as needed, all the while promoting circulation, breathing, and the flow of creative energy.

Pneumatic height adjustable stool works with any sit to stand workstation with ease, featuring dual integrated adjustment buttons on the base, easy to reach with either hand.

Durable and comfortable seat is available in multiple colors to match any space design, and features an auto-return tilt feature that moves with your body, offering support for multiple positions and activities. Seat also swivels for added comfort and support.

Powder-coated platinum steel base is extra wide to offers maximum stability while the stool is in use. Base includes integrated handle and recessed casters to enable easy mobility.

SCS Indoor Advantage Gold Certified. Patent pending.

Standard Includes

- Pneumatic seat height adjustment from 24-¾" to 33-¾"H
- Auto-return seat tilts 10° to the front and 20° to either side. Seat also swivels.
- Powder-coated platinum steel base with integrated handle and recessed casters for easy mobility

Hierarchy Height Adjustable Grow Stool®

Adjustable and colorful stool will add fun and function to any environment. Colors coordinate with our line of Hierarchy products.

Wobble action and swiveling seat encourage micro-movement to help bleed off excess energy. Helps promote improved upright posture and increased focus while working. Available in two sizes and nine colors.

Comfortable and ergonomic stool made with durable and lightweight plastic.

SCS Indoor Advantage Gold Certified.

Standard Includes

- Durable lightweight plastic base with non-skid bottom
- Seat swivels 360º
- Height adjustable
- Wobble base

Options

- Short (14" to 18") or tall (17" to 24") available
- Available in a variety of colors (see p. 11 for swatches)
- Available in non-swivel version (longer lead times and MOQ apply)
- Optional seat pad available

Part No.	Description	Dimensions	Ship Wt.	Base MSRP
A. Hierarchy Grow Stool (Swiveling)				
50960-XXXX	Hierarchy Grow Stool (Short)	14" – 18"H × 13"W × 13"D	11 lbs	$245.87

C. Hierarchy Grow Stool Seat Pad				
59073	Hierarchy Grow Stool Seat Pad	2.8"H × 14.5"W × 14.5"D	4 lbs	$73.33

Hierarchy Flipz Stool

The unique, modern, and ergonomic design of the Hierarchy Flipz Stacking Rocking Stool fits right in today's classroom, allowing kids to be active even while sitting.

Double ended stool can be used on one end as stationary seating and on the other as a rocking stool, offering gentle movement in all directions. Works like an exercise ball to keep a child's body moving, burning off extra energy and providing an outlet for restlessness.

Each end is made with slip resistant rubber to keep the stool stable on any flooring material. Stools stack for easy storage when not in use.

Body is lightweight and easy to move, but durable enough to stand up to every day use.

SCS Indoor Advantage Gold Certified.

Standard Includes

- Durable lightweight plastic with non-skid rubber surfaces
- Wobble base on one end, flat base on the opposite end
- Plastic base includes integrated handle and storage compartment

Options

- Available in a variety of colors (see p. 11 for swatches)

MooreCo Double Privacy Pod (Tall)

Double Privacy Pods feature a built-in work surface and side table to provide ample space for a laptop and storage for a bag, backpack, or other belongings.

Two seats provide space for one-on-one meetings, conversations, and collaboration with no distractions.

Optional integrated electrical outlets keep your devices powered, charged, and ready to go.

Curved wall shape is designed to reduce noise, providing a quiet workspace. Short and tall privacy wall options available.

Available in a variety of fabric combinations through our graded-in program.

Designed to allow multiple pods to be arranged in many configurations, fitting any space or nook.

SCS Indoor Advantage Gold Certified.

Standard Includes

- Ships set up
- Wood combination construction of plywood and hardwood
- Upholstered seating and pod wall
- Built-in laminate work surface and side table

Required to Specify

Finishes:

- Upholstered (.UPP) wall finish
- Laminate selections (-XXXX) (see pp. 7–10 for swatches)
- Edgeband selection (-XX) (see p. 11 for swatches)
- COM or graded-in fabric selection (-FABRICNAME)

Power:

- Integrated electrical outlets (.P), or no power (.NP)

MooreCo Schoolworks Curved Bookcase

A versatile and modern storage solution for classrooms, media spaces, and libraries.

Schoolworks Bookcases are designed to be modular to work where you need them. Available in multiple heights with either single- or double-sided configuration.

The standard single model includes two height adjustable shelves. Back panel features a peg board panel for additional storage of tools or supplies.

The double-sided bookcase provides twice the shelving capacity and may be combined with soft seating to create a multi-functional reading and lounge space.

Bookcases come standard with casters and platinum perforated panel. Legs also available.

Multiple accessory options available, including handles and magnetic ganging.

SCS Indoor Advantage Gold Certified.

Standard Includes

- Single sided (.SS)
- Double sided (.DS)
- Curved (.C)
- Adjustable shelves
- 3" locking casters
- Platinum perforated panel
- Laminate construction with matching edge banding

Required to Specify

Finishes:

- Laminate selections (-XXXX) (see pp. 7–10 for swatches)

Frame:

- Black (.7BK)
- Charcoal Metallic (.7CM)
- Platinum (.7PL)

Options

- With handle (.WHL) or without handle (.NHL)

MooreCo Schoolworks Straight Bookcase

A versatile and modern storage solution for classrooms, media spaces, and libraries.

Schoolworks Bookcases are designed to be modular to work where you need them. Available in multiple heights with either single- or double-sided configuration.

The standard single model includes two height adjustable shelves. Back panel features a peg board panel for additional storage of tools or supplies.

The double-sided bookcase provides twice the shelving capacity and may be combined with soft seating to create a multi-functional reading and lounge space.

Bookcases come standard with casters and platinum perforated panel. Legs also available.

Multiple accessory options available, including handles and magnetic ganging.

SCS Indoor Advantage Gold Certified.

Standard Includes

- Single sided (.SS)
- Double sided (.DS)
- Straight (.S)
- Adjustable shelves
- 3" locking casters
- Platinum perforated panel
- Laminate construction with matching edge banding

Required to Specify

Finishes:

- Laminate selections (-XXXX) (see pp. 7–10 for swatches)

Frame:

- Black (.7BK)
- Charcoal Metallic (.7CM)
- Platinum (.7PL)

Options

- With handle (.WHL) or without handle (.NHL)
- With magnetic ganging (.WGN) or without magnetic ganging (.NGN)

Mobile Book Tower

Add high capacity mobility to your media spaces, libraries, classroom, and other learning spaces with the Mobile Book Tower.

Featuring scratch-resistant laminate construction in your choice of finishes, the Mobile Book Tower includes four shelves that measure 36"W and 14-½"H. Overall depth is 24".

With durable twin-wheel casters that coordinate seamlessly with other castered furniture, the Mobile Book Tower gives you maximum capacity in a small footprint.

SCS Indoor Advantage Gold Certified.

Standard Includes

- 14-½"H shelves
- Available in all stock and standard laminates with matching edge band
- Durable twin wheel casters

Required to Specify

- Laminate color (-XXXX)

Part No.	Description	Dimensions	Base MSRP
A. Mobile Book Tower			
36911-XXXX	Mobile Book Tower	62"H × 39"W × 24"D	

Dot Cart

Keep your Dots and seat pads tidy with a handy mobile storage cart. Easily store Dots and seat pads to create more space throughout the room with our new Dot Carts, available in four variations to suit your needs.

Single and double sizes available for 15" and 18" Dots. The single holds up to five Dots, while the double holds up to ten. Dot Carts are designed also to store seat pads. Single holds up to nine 3" seat pads, while the double holds up to 18.

Each Dot Cart comes in sophisticated Gray Elm with matching edge band.

SCS Indoor Advantage Gold Certified.

Standard Includes

- Gray Elm laminate finish and edge band
- 3" dual-wheel casters (two locking)

Options

- Available in single or double width models
- Available to hold 15" or 18" Dots or seat pads

Part No.	Description	Dimensions	Ship Wt.	Base MSRP
A. Dot Cart

Compass Cabinets

We created a series of cabinets with teachers and students in mind, allowing for space, movement, ample storage, and adaptability. Available in nine base sizes, the Compass cabinets are light and mobile, making them ideal for active teaching. Add handles to quickly and smoothly move materials throughout the entire classroom.

Easily create custom filing stations, work tables, or teacher desk spaces with these durable cabinets, reinforced with braces for structural stability. Fill your cabinets with shelves, cubbies, or plastic totes to suit your lesson plans and curriculum. Side panels and optional handles match our Hierarchy family of colors, encouraging creativity, play, and school spirit.

Optional add-ons include peg side panels, Ogee double-sided whiteboard tops, TV mounts, laminate or butcher block tabletops, wardrobe hooks, porcelain steel whiteboard backs, and more. Crafted with durable and easy-to-clean steel, these cabinets will last years, simplifying daily activity for teachers while keeping students engaged.

Please note: Custom orders and whiteboard top option are subject to an upcharge and laminate availability. Please contact your sales representative for current availability and lead time information.

SCS Indoor Advantage Gold Certified.

Standard Includes

- Side panels made with 18-gauge powder coated steel reinforced with two 20-gauge 25mm square steel tubes
- Dual-wheel high durability 100mm casters (two locking) constructed from a reinforced plastic body with non-marking gray polyurethane wheels

Options

- Available with open storage or locking doors
- Available with standard platinum steel or porcelain whiteboard back panel
- Side panels with two rows of 14 peg holes (available in multiple colors)
- Side panels fully perforated for peg storage
- Top options include handles (in all colors), laminate table top, butcher block table top, Ogee whiteboard easel top, TV mount top, and lectern top (see line lists for availability)
- Customizable HPL on laminate and lectern top options (see p. 7–8 for swatches)
- Customizable edge band on laminate and lectern top options (see p. 7–8 for swatches)
- Glides available
- Interior filling options include shelves, sliding totes available in three sizes, cubbies, and combinations (see line lists for availability)
- Custom options available (call for information on customization)

Section VIII:
Media Space & AV

MooreCo Cocoon

Curved design created an inviting and welcoming space, inspired by the new world of learning. A perfect solution for flexible socializing, meeting, and relaxing.

An ideal choice for in-between spaces, with ample seating capacity and configurability.

Low or high surface provides generous work space.

Stadium seating capacity increases line-of-sight, allowing optimum viewing ability for everyone.

Fully upholstered soft seating bench available with backrest for extra comfort.

Can be specified in multiple configurations.

Offered in customizable laminate and fabric options. Use our graded-in program or call about COM.

SCS Indoor Advantage Gold Certified.

Standard Includes

- Post laminate construction
- 1-1/4" laminate

Configuration 1:

- Fully upholstered bench with back
- Aluminum legs on bench
- 41"H surface
- Qty 2 – BM.CO.TB.883641
- Qty 2 – BM.CO.B.602930

Configuration 2:

- Fully upholstered bench with no back
- Aluminum legs on bench
- Center wedge table
- 30"H surface
- Qty 2 – BM.CO.TB.883630
- Qty 2 – BM.CO.B.512818.NB
- Qty 1 – CO.ST.2119131

Configuration 3:

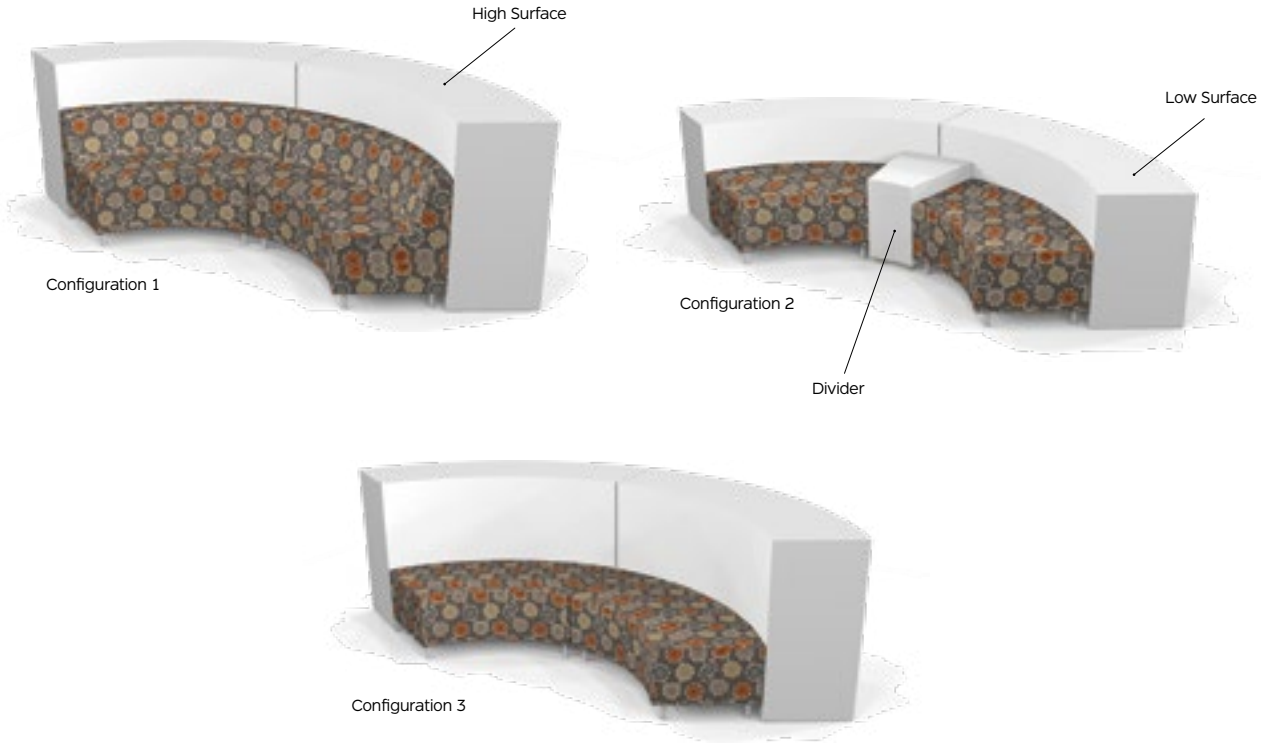

- Fully upholstered bench with no back
- Aluminum legs on bench
- 41"H surface
- Qty 2 – BM.CO.TB.883641
- Qty 2 – BM.CO.B.602918.NB

MooreCo Cocoon Media Space

Cozy and insular, a cocoon is a space where powerful change takes place.

The Cocoon Media Space is an upscale solution combining technology and functionality, with versatile and independent seating, ideal for situations that require thinking outside the box.

For students and collaborative learners, the Cocoon Media Space provides the closeness that allows for group thinking, as well as the expansiveness required for big ideas.

Hybrid learning and integrative educational experiences can take place at the Cocoon Media Space, easily configurable into any library, study hall, or open office area.

The seating is versatile and independent, with laminate available in countless finishes. The back panel has been designed to support up to a 55" flat panel. Grommet holes are included for cable management.

All seating fabric COM or through our graded-in program (call for pricing).

SCS Indoor Advantage Gold Certified.

iTeach® Spider Flat Panel Cart

Engage your audience anywhere with either version of the modern black iTeach® Spider Flat Panel Cart, a stylish solution to your flat panel mobility needs.

Available in either an electric or manual height adjustable model. Sleek black finish adds a dramatic and modern touch to any environment.

Electric version comes with an easy to use wired remote that allows for 18" of smooth height adjustment (from 37" at the bottom to 55" at the top)

Manual height adjust version features a mounting bracket that can be attached at six different heights. The brackets range from 20-5/8" at the bottom to 67-7/8" at the top. Each set of brackets is 6-1/4" apart.

Overall dimensions of height adjustment will vary depending on the size of your display.

SCS Indoor Advantage Gold Certified.

Standard Includes

- Black powder-coated steel finish
- Supports a display up to 100"/250 lbs including all accessories and cables
- VESA mount size up to 800x600

Options

- Optional locking storage cabinet available.

iTeach® Flat Panel Mount + Whiteboard System

Keep your whiteboard space while adding modern interactive technology to your classroom, training room, or other collaborative spaces.

We've bundled two whiteboards plus an iTeach Flat Panel Wall Mount to provide you full use of the front of the classroom or training space for interactivity without sacrificing your whiteboard space.

All whiteboard materials are magnetic porcelain steel for smooth writing, clean erasing, and excellent color contrast with dry erase markers. Boards available with our quality deluxe aluminum trim, which features a full-length map rail and accessory tray. Or choose the more economical ABC trim, which features aluminum corner caps on the top trim.

The flat panel mount features a sleek black finish, and is powered with an electric motor for 18" of smooth height adjustment with a simple touch of a button on the handy wired remote. The durable flat panel bracket supports 800×600 VESA mounts and a flat panel up to 250 lbs.

SCS Indoor Advantage Gold Certified.

Includes

MoorePower® Tower

Get convenient access to power in your multiuser table groups with the versatile and capable MoorePower® Tower. Provides instant AC outlet and USB charging access to multiple users in group seating arrangements.

Ideal for providing power to laptops, Chromebooks, tablets, or smart phones. Power capacity is provided through a single 3-prong plug. Users no longer have to search for or share power outlets.

SCS Indoor Advantage Gold Certified. ETL certified to UL 1363.2018 Ed. 5.

Includes

- Four faces each include two AC outlets and two USB outlets (total of eight each)
- Four dual-wheel casters (two locking)
- Durable powder-coated steel frame in platinum
- Cord winder and 13.5' power cable

Part No.	Description	Dimensions	Ship Wt.	Base MSRP
A. MoorePower Tower				
27735	MoorePower Tower	40"H × 17.5"W × 17.5"D	25 lbs	$723.25

Pop-Up Grommet Outlet & USB Charger

The Pop-Up Grommet Outlet & USB Charger will add instant convenient AC power and USB charging accessibility to your unused grommet.

Keep your laptops, tablets, phones, or other mobile computing devices charged and ready to go at your desk, in your conference room, or anywhere else power access is needed.

Retractable body keeps your workspace uncluttered when not in use.

SCS Indoor Advantage Gold Certified. UL/cUL listed. Tested for UL 962A (furniture power distribution) and UL 1449 (surge protective device).

Includes

- Four AC outlets
- Two USB charging ports
- 10' power cord
- Measures 2.9" diameter
- Requires a 2.4" (60mm) hole for mounting
- Includes overcurrent and voltage surge protection

Part No.	Description	Dimensions	Ship Wt.	Base MSRP
A. Pop-Up Grommet Outlet & USB Charger				
66666	Pop-Up Grommet Outlet & USB Charger	11.6"H × 2.9"W × 2.9"D	2 lbs	$126.44

Clamp Mount Outlet & USB Charger

The Clamp Mount Outlet & USB Charger adds instant convenient AC power and USB charging accessibility to your desktop.

Keep your laptops, tablets, phones, or other mobile computing devices charged and ready to go at your desk, in your conference room, or anywhere else power access is needed. Handy lip can be used as a tablet stand. Accommodates the Otterbox Defender case with cover.

SCS Indoor Advantage Gold Certified. UL/cUL listed. Tested for UL 962A (furniture power distribution).

Electrical rating: 12A (Derated from 15A due to UL 962A), 125V, 50/60Hz

EMI/RFI Noise Filtration: 150kHz~100MHz up to 37dB reduction

USB Output: 5V/2.1A max total

Includes

- Three AC outlets
- Two USB charging ports
- 10' power cord
- Adjusts to fit a desk top from 3/4" to 2" thick

Part No.	Description	Dimensions	Ship Wt.	Base MSRP

A. Power Strip + Surge Protector				
66572	Deluxe Power Strip with Surge Protector	7 Outlets / 25' Cord / Cord Winder	4 lbs	$127.04

Section IX:
Soft Seating

Soft Seating + Graded-In Product Information

Materials

Seating is assembled with ¾" commercial grade plywood and hardwood. The seat back is made up of a Martex Syntex woven webbing. Hard top tables are constructed with 48-52 density MDF core and finished with HPL. CAL 117-2013 Compliant. Weight limit 400 lbs.

Warranty Information

Seating Frame – MooreCo warrants the frames used in soft seating products to be free from design defects in materials and workmanship for a period of twelve (12) years beginning on the date of shipment.

Seating Foam – MooreCo warrants the foam used in soft seating products to be free from defects in materials and workmanship, beginning on the date of shipment, extending for five (5) years. This does not include softening and flattening of the foam that occurs as a result of normal use and aging.

Seating Fabric – The MooreCo warranty of fabrics offered as part of the graded program is dictated by the materials manufacturer and passed on accordingly. Customer Own Material (COM) is not warranted.

Table Frame – MooreCo warrants the frames used in soft seating products to be free from design defects in materials and workmanship for a period of twelve (12) years beginning on the date of shipment.

Table Top – MooreCo warrants HPL tops used in soft seating products to be free from design defects in materials and workmanship for a period of twelve (12) years beginning on the date of shipment.

Table Fabric – The MooreCo warranty of fabrics offered as part of the graded program is dictated by the materials manufacturer and passed on accordingly. Customer Own Material (COM) is not warranted.

Electrical Options – Electrical options are warranted for one (1) year from date of shipment for manufacturer's defects.

Changes & Cancellation

MooreCo's acceptance of an order for custom soft seating is final and binding and an order may not be changed or canceled without MooreCo's written consent. To change or cancel orders, contact MooreCo Customer Care in writing for authorization and applicable charges. **All orders for soft seating must be on a separate PO with no other MooreCo products.**

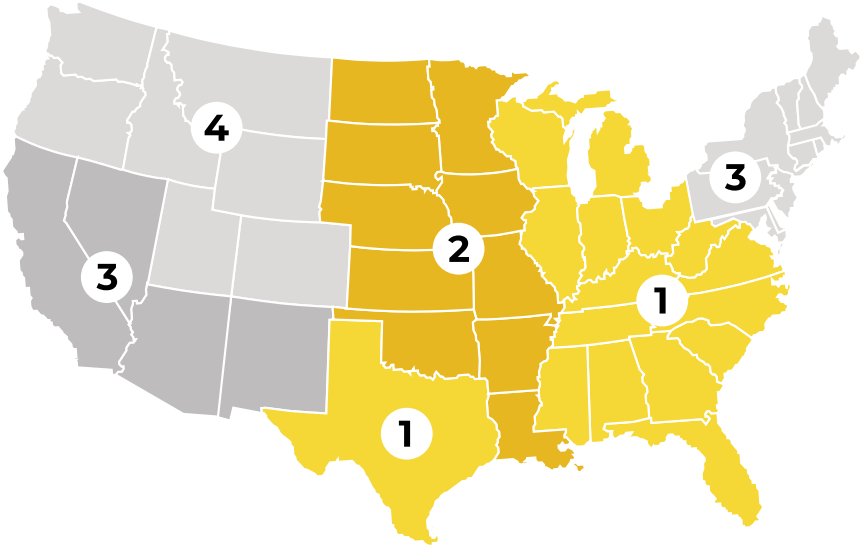

Freight Program

All soft seating and graded-in products ship FOB Tennessee. All charges illustrated in the matrix include delivery only and do not include extra services such as: inside delivery, lift gate service, white glove services, international shipments, or shipments to Alaska or Hawaii.

Zoned Freight Pricing Matrix

Zone	Orders less than $1000	Orders $1001 – $42,000	Orders greater than $42,000 (truckload)
1	$250.00	11% ($250.00 min.)	6%
2	$365.00	14% ($365.00 min.)	8%
3	$550.00	21% ($550.00 min.)	14%
4	$625.00	22% ($625.00 min.)	15%

Effective 01-01-2025

Soft Seating + Graded-In Product Information

Graded-In Fabric

We've partnered with multiple fabric and textile manufacturers to offer you more than 5000 graded-in fabric options. Please refer to the MooreCo Graded-In Fabrics Guide for grading information. The guide can be downloaded at www.moorecoinc.com/price-guides.

COM Repeat Table

Repeat Width	Extra %
1" to 4"	10%
5" to 9"	20%
10" to 14"	25%
15" to 19"	30%

COM Approval Form

All COM must be approved. If your order has been placed, please list PO# _____

For COM approval ship to:

MooreCo
1307 Davis Street
Morristown, TN 37814

COM and COL must be identified as follows:

1. Name and address
2. Your purchase order number
3. Our style number to which fabric is to be applied
4. Supplier name and fabric name, number, and color

Photocopy this form and submit with COM fabric for approval: This fabric approval is for the purpose of advising how to apply your COM fabric, verify yardage required, and suitability of fabric.

COLLECT SHIPMENTS WILL NOT BE ACCEPTED. Shipment schedule will be given when all fabric is received for entire order. Yardage requirements listed in price list are based on plain goods 54" wide. Fabrics less than 54" wide, or those requiring matching (stripes, plaids, prints, large patterns) will require additional yardage based on the fabric used and the item ordered.

FABRIC WITH NAP: If using mohair, velvet, or any fabric with a nap, increase yardage required by 11%. Consult matrix below for additional yardage needed.

COM Increase Matrix: this table is a general guide

Fabric Width	Plain Fabric	Up to 7" Repeat	8" – 13" Repeat	14" – 21" Repeat	22" – 27" Repeat	28" – 33" Repeat	34" – 40" Repeat	41" – 48" Repeat
54"	0%	20%	25%	30%	40%	50%	60%	70%
51" – 53"	15%	25%	30%	35%	45%	60%	70%	80%
48" – 50"	20%	30%	35%	40%	50%	65%	75%	85%
45" – 47"	30%	45%	50%	55%	60%	80%	90%	100%
36" – 44"	50%	65%	70%	75%	80%	100%	110%	120%

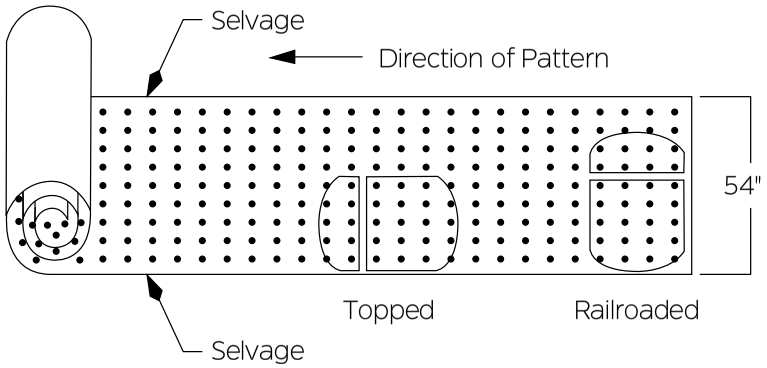

FABRIC WITH A DOUBLE REPEAT: If using a fabric with a double repeat, please follow this formula: take the total amount of the larger and half of the smaller repeat; add together to find the correct overall repeat. **EXAMPLE**: 10" vertical with 14" horizontal would be 14 + 5 = 19. If fabric comes on multiple rolls, one additional yard per roll needs to be added to the yardage requirements.

SPECIAL NOTE: We can assume no responsibility for the durability or tailoring quality of customer furnished coverings (COM).

ADDITIONAL NOTES:

- Orders cannot go into production without the information listed below.
- Attach memo sample to this approval sheet.

The cost of the COM sample will be paid by the client. Even after preliminary approval, MooreCo reserves the right to reject COM/COL if necessary when the quality is not satisfactory for the product to be upholstered. MooreCo assumes no responsibility for its overall appearance, flammability, durability, colorfastness or any other quality after upholstered on a MooreCo product.
