Features:

- Discover Series Tri-Top Study Desks features a 28" x 28" x 36" triangular top with adjustable or fixed height legs and a two-position cross brace that may be installed for use with or without an optional book box to maximize leg space.
- Work surface is constructed of 9/16 MDF core surface with high-pressure laminate on top surface for superior scratch and dent resistance.
- Resin impregnated phenolic paper backer sheet is used on the underside to balance construction and minimize warping.
- Available with height adjustability or fixed height.
- Select from a variety of frame colors and work surface colors to complement any look.
- *Optional* assortment of glide options available, some at an upcharge.
- **GreenGuard® Certified**
- Meets or exceeds the health and safety standards as set forth by the United States CPSIA, Section 102
- **Meets or exceeds applicable ANSI/BIFMA X5.5-2008 Furniture Standards**
- **Covered by Artcobell's Lifetime Warranty**

Lifetime Warranty
